5. Hot-Swappable: Enjoy plug-and-play functionality with hot-swappable USB ports.
6. Durable and Portable: Crafted from high-strength ABS plastic, this mini hub is lightweight and easy to carry.

## **FAQs**

### Usage and Compatibility

Do I need to install any drivers to use the USB-C hub?

- No, our USB-C hubs are designed to be plug-and-play. No additional drivers are required for use.

Can I use the USB-C hub with my smartphone?

- Yes, as long as your smartphone has a USB-C port that supports OTG (On-The-Go) functionality, you can use our USB-C

hub with it.

Will the USB-C hub work with my gaming console?

- Our USB-C hubs can be used with gaming consoles such as the Nintendo Switch for connecting peripherals and expanding connectivity options.

#### Ordering and Shipping

How can I place an order for a custom USB-C hub?

- You can place an order directly through our online store. Simply select the product, customize it if necessary, and proceed to checkout.

Do you offer international shipping?

- Yes, we offer international shipping to many countries. Shipping fees and delivery times may vary depending on the destination.

What is the estimated delivery time for my order?

- Delivery times can vary based on your location and chosen shipping method. Typically, orders are processed within 1-2 business days and delivered within 5-10 business days for standard shipping.

#### Warranty and Support

Do your USB-C hubs come with a warranty?

- Yes, all our USB-C hubs come with a one-year limited warranty that covers manufacturing defects.

How do I contact customer support?

- You can reach our customer support team via email or through our contact form on the website. We aim to respond to all inquiries within 24 hours.

What should I do if my USB-C hub is not working properly?

- Please contact our customer support team with details about the issue. We will guide you through troubleshooting steps and assist with warranty claims if necessary.

#### Customization and Bulk Orders

Can I customize the USB-C hubs with my company's logo?

- Yes, we offer customization options including logo printing and personalized packaging. Please contact our sales team for more information on customization services.

Do you offer discounts for bulk orders?

- Yes, we provide discounts for bulk orders. Please contact our sales team for a quote based on your specific requirements.

What types of customizations are available?

- Customizations can include OEM ODM design, logo printing, color options, packaging design, and specific port configurations to meet your needs.
