## Product Description

all in one HDD 4 in 1 Type c Hub Expansion Dock Laptop Docking Station Type C to HD-MI USB 3.0 PD

### Product Description:

The USB-A to Type C Male to USB-A Female Adapter is a compact and lightweight adapter that is easy to use and carry around. It is made of high-quality materials that ensure durability and long-lasting performance. The adapter is designed to provide fast data transfer speeds of up to 5Gbps, which means you can transfer large files in seconds.

This adapter is compatible with MacBook, Chromebook, Windows Laptops, and other devices that require high-speed data transfer.

### Features:

1 x HDMI 4K@30Hz output
1 x VGA 1920*1080K@60Hz output
1 x USB3.0 Type A (5Gbps)
1 x USB C PD 100W

### Applications:

This USB-A Adapter is perfect for a variety of occasions and scenarios. Whether you need to transfer data between your laptop and your

phone, or you need to charge your phone from your laptop, this adapter has you covered. It's also perfect for connecting a USB flash drive, a mouse, or a keyboard to your laptop.

### Support and Services:

---

Our goal is to ensure your satisfaction with our product, so we also offer a one-year warranty for this product. If you experience any defects or issues that are covered under the warranty, we will repair or replace the product free of charge.
