

Aluminum 16 in 1 USB-C Docking Station hubs with HDMI 4K Video Output VGA port for Macbook laptop

Our Product Introduction

Basic Information

- Place of Origin: China
- Brand Name: SUBOSEN
- Certification: ISO 9001:2015,CE,FC
- Model Number: DC009-H2V
- Minimum Order Quantity: 500 Pcs
- Price: 5-20USD/PCS
- Packaging Details: Customized Colorful boxes
- Delivery Time: 7-10workdays
- Payment Terms: TT in advance
- Supply Ability: 200000PCS/month

Product Specification

- Video Output: HDMI: Up To 4K Resolution At 30Hz Or 60Hz.
- Cable Design: Integrated Cable: Builtin Cables For Convenience.
- Material: Aluminum Alloy
- Cooling And Ventilation: Heat Dissipation
- Display Resolution: Up To 4K@60Hz
- Package Contents: Docking Station, USB-C To USB-C Cable, User Manual
- Software Integration: DisplayLink Technology
- Card Readers: SD Card Slot: Supports Various Capacities And Speed Classes.
- Network Connectivity: Gigabit Ethernet: Provides Stable And Highspeed Wired Internet Connection Up To 10Gbps

Product Description

Aluminum 16 in 1 USB-C Docking Station hubs with HDMI 4K Video Output VGA port for Macbook laptop

Product Description:

Enjoy effortless connectivity with a sleek Aluminum 16 in 1 USB-C hub, featuring a range of ports including USB-A, HDMI, and Ethernet, designed to meet all your connectivity needs in one compact device.

Features:

- 1 x DC-IN for the additional power adapter 20V3.25A
- 1 x USB-C (Type C Host,Max output 60W for charging.).
- 2 x HDMI (3840x2160@60Hz(DP1.4)/ 2560x1440@50Hz) output.
- 1 x VGA (1920x1080@60Hz).
- 3 x USB3.0 Type A supports 5Gbps .
- 3 x USB2.0 Type A supports 480Mbps .
- 1 x USB-C (Type C Host). 5Gbps .
- 1 x RJ45 LAN port supports 10/100/1000M.
- 1 x SD3.0/microSD3.0 Card Reader supports SDXC cards up to 2 TB, SDR25 data transfer rate 104MB/Sec. (multi - LUN)
- 1 x 3.5mm stereo combo jack (microphone input/audio output)

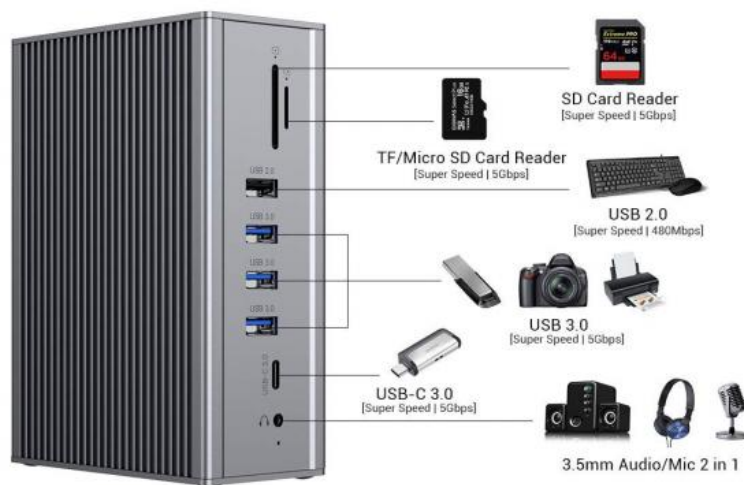

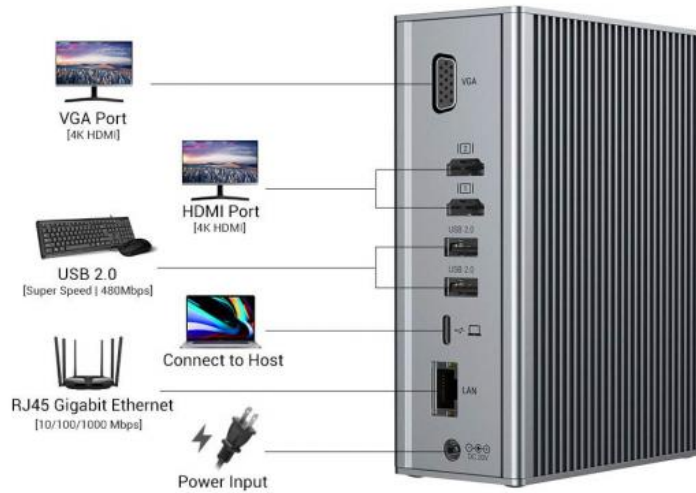

Technical Parameters:

| | |
|--------------------------|--|
| Product Name: | USB-C Port Replicator |
| Package Contents: | Docking Station, USB-C To USB-C Cable, User Manual |
| Compatibility: | USB-C Devices |
| Video Output: | HDMI: Up To 4K Resolution At 30Hz Or 60Hz. |
| Cooling and Ventilation: | Heat Dissipation |
| Network Connectivity: | Gigabit Ethernet: Provides Stable And Highspeed Wired Internet Connection Up To 1Gbps. |
| Power Delivery: | Supports Up To 100W For Charging Laptops And Other Devices. |
| Dual Display Support: | MST (MultiStream Transport) |
| Color: | Space Gray, Silver, Black, White, Gold. Customizable |
| Cable Design: | Integrated Cable: Builtin Cables For Convenience. |

The image features a silver XFX USB hub with a vertical design. It includes a USB 2.0 port, four USB 3.0 ports, a USB-C 3.0 port, and a headphone jack. A graphic overlay on the right side of the hub displays the text "Transfer Files in Seconds" and compares the speeds of different USB standards. The background is dark with blue light streaks and various file icons like a document, image, music note, and folder.

Transfer Files in Seconds

| | |
|-----------|---------|
| USB 3.0 | 56bps |
| USB-C 3.0 | 56bps |
| USB2.0 | 480Mbps |

Applications:

1. Professional Workstations:
 - Use Case: Connecting multiple monitors, external storage devices, and peripherals.
2. Remote Work Setups:
 - Use Case: Creating a comprehensive home office setup with laptops, monitors, and external devices.
3. Creative Professionals:
 - Use Case: Editing high-resolution videos and photos with access to multiple displays and fast data transfer.
4. Gaming Setups:
 - Use Case: Connecting gaming laptops to multiple monitors, external storage, and peripherals.
5. Education and E-learning:
 - Use Case: Setting up virtual classrooms with multiple screens, cameras, and audio devices.

Support and Services:

The USB-C Docking Station provides technical support and services that include:

- Compatibility testing with various operating systems and devices to ensure optimal performance
- Assistance with setup and installation
- Troubleshooting and resolution of technical issues
- Regular firmware updates to improve functionality and security
- Expert technical advice and guidance for maximizing the use of the docking station

For any technical inquiries or support needs, please refer to the user manual or contact our customer support team.

FAQ:

Q: What is the brand name of this docking station?

A: The brand name of this docking station is SUBOSEN.

Q: Do your USB-C hubs come with a warranty?

A: Yes, all our USB-C hubs come with a one-year limited warranty that covers manufacturing defects.

Q: How do I contact customer support?

A: You can reach our customer support team via email or through our contact form on the website. We aim to respond to all inquiries within 24 hours.

Q: What should I do if my USB-C hub is not working properly?

A: Please contact our customer support team with details about the issue. We will guide you through troubleshooting steps and assist with warranty claims if necessary.

Can I customize the USB-C hubs with my company's logo?

A: Yes, we offer customization options including logo printing and personalized packaging. Please contact our sales team for more information on customization services.

Q: Do you offer discounts for bulk orders?

A: Yes, we provide discounts for bulk orders. Please contact our sales team for a quote based on your specific requirements.

Q: What types of customizations are available?

A: Customizations can include OEM ODM design, logo printing, color options, packaging design, and specific port configurations to meet your needs.
