Basic Information

- Place of Origin: China
- Brand Name: SUBOSEN
- Certification: ISO 9001:2015,CE,FC,ROHS
- Model Number: FK01-10P
- Minimum Order Quantity: 500 Pcs
- Price: 2-15usd/pcs
- Packaging Details: Customized Colorful boxes
- Delivery Time: 7-10workdays
- Payment Terms: TT in advance
- Supply Ability: 200000PCS/month

Product Specification

- Usb Type-A Ports: 3
- Printing: Laser Marking
- Sd Card Reader: SD3.0/micro Supports Up To 2TB
- Usb Type-C Port: 1
- High-Speed USB 3.0 Ports: 4
- Logo: Available
- Travel-Friendly: Compact And Lightweight Designs Suitable For Frequent Travelers.
- Audio: 3.5mm Stereo Combo Jack (microphone Input/audio Output)
- Highlight: **usb c adapter docking station ,
usb c docking station hdmi , dock hub usb c**

Product Description

10 in 1 USB C Dock USB Hub with 4K HDMI USB C to USB Multiport Adapter for Laptop and notebook

Product Description:

Featuring 3 USB Type-A 3.0 ports, the USB-C hub gives you the flexibility to connect multiple USB devices such as a keyboard, mouse, or external hard drive. It also has a 3.5mm audio jack that facilitates the connection of headphones, microphones, or speakers, making it an ideal solution for video conferencing or listening to music.

The plug and play feature of this USB-C hub makes it easy to set up and use. You don't need any drivers, so all you have to do is plug it into your device's USB-C port, and you're good to go. This feature ensures that you don't have to spend time installing drivers or software, making it a hassle-free experience.

Technical Parameters:

Data Transfer Speed	Up To 5Gbps
Stable Ethernet Connection	Gigabit Ethernet Supports Up To 1Gbps Speeds.
Logo	Available
DisplayPort	Provides High-resolution Video Output Up To 4K At 60Hz.
High-Speed Data Transfer	USB 3.0 Ports Offer Transfer Rates Up To 5Gbps To 10Gbps.
Dual 4K HDMI Ports	Allows For Dual 4K Monitor Setups.
Usb Type-C Port	1
Power Delivery (PD)	Supports Up To 100W Power Delivery For Charging Laptops And Other Devices.
Material	Aluminum
Product Type	Multiport USB-C Hub, Power Delivery (PD) USB-C Hub, Compact And Portable USB-C Hub, Gaming USB-C Hub, MacBook USB-C Hub

This handy USB-C docking station is perfect for users who want a compact USB-C Hub with PD. It's an all-in-one USB-C hub with power delivery, making it an ideal choice for those who need to charge laptops and other devices while working. The aluminum construction ensures durability while its multiple ports provide a high-speed data transfer rate of up to 10Gbps.

Applications:

Multi-Monitor Setup: Use HDMI or DisplayPort outputs on a USB-C hub to connect multiple external monitors for extended or mirrored displays.

Charging Devices: Utilize the Power Delivery (PD) feature to charge laptops, tablets, and smartphones through the USB-C hub while simultaneously using other connected devices.

Data Transfer: Quickly transfer data between devices using USB 3.0/3.1 ports, SD/TF card readers, and external storage devices.

Ethernet Connectivity: Connect to wired networks via an Ethernet port on the USB-C hub for more stable and faster internet access, especially useful in areas with poor Wi-Fi.

Connecting to Projectors and TVs: Use HDMI or VGA ports on the hub to connect laptops and tablets to projectors or TVs for presentations, meetings, or entertainment purposes.

Audio and Video Conferencing: Enhance audio and video quality in conferencing setups by connecting external webcams, microphones, and speakers through the hub.

Gaming: Connect gaming peripherals such as controllers, headsets, and external graphics cards (eGPU) to improve gaming performance and experience.
