

## 8 in 1 dual type-c USB Hub with ports USB-A HDMI SD card reader for Mackbook pro

### Our Product Introduction

#### Basic Information

- Place of Origin: China
- Brand Name: SUBOSEN
- Certification: CE,FCC,ROHS,ISO 9001
- Model Number: DC065
- Minimum Order Quantity: 500 Pcs
- Price: 10-20 USD/PCS
- Packaging Details: Customized Colorful boxes
- Delivery Time: 15workdays
- Payment Terms: TT in advance
- Supply Ability: 200000PCS/month

Model : DC65

#### Product Specification

- Warranty: 1 Year
- System: MACOS
- Material: Aluminum Alloy
- Connector: USB 3.1 Type-C Connector
- Video Output: HDMI: Up To 4K Resolution At 30Hz Or 60Hz.
- Network Connectivity: Gigabit Ethernet: Provides Stable And Highspeed Wired Internet Connection Up To 1Gbps.
- Display Resolution: Up To 4K@60Hz
- Cable Design: Integrated Cable: Builtin Cables For Convenience.
- Highlight: **8 in 1 USB C Hub**

## Product Description

### 8 in 1 dual type-c USB Hub with ports USB-A HDMI SD card reader for Mackbook pro

#### Product Description:

The USB-C Docking Station is compatible with only MacOS operating systems ,dual type c ports for Apple MacBook Pro 13.3 (2016/2017/2018) and Apple MacBook Pro 15.4 (2016/2017/2018)

#### Features:

Product Name: dual type-c USB-C Docking Station

Cable Design: Integrated Cable: Builtin Cables For Convenience

Color: Space Gray, Silver, Black, White, Gold.Customizable

Cooling and Ventilation: Heat Dissipation

Data Transfer Rate: USB 3.0: Up To 10Gbps

Product Type: USB-C Multiport Docking, USB-C Docking Station Hub, Docking station for MacBook Pro

#### Technical Parameters:

|                                       |  |
|---------------------------------------|--|
| HDMI port                             | The maximum resolution is 3840*2160/30HZ, downward compatible resolution   |
| USB-A3.0 port                         | Data transfer speed:up to 5Gbps<br>Output Power:5V/900mA;5V/1.5A (Max,Type C interface PD 20V power is supplied)<br>Read speed 80MB/S<br>Storage speed 380MB/S |
| SD card slot                          | Supported memory card capacity: up to 512 GB<br>reading speed:18Mb/s<br>storage speed:7Mb/s  |
| TF card slot                          | Supported memory cardcapacity up to 512 GB<br>reading speed:20Mb/s<br>storage speed:13Mb/s   |
| USB Type-C female PD2.0 charging port | power the product and charge computer with input power of 20V/3A max   |
| Compatible devices                    | Apple MacBook Pro 13.3 (2016/2017/2018)<br>Apple MacBook Pro 15.4 (2016/2017/2018)   |
| Type c port                           | Connect to the host  |
| System requirements                   | MAC OS   |
| Plug and play                         | Yes  |

# Model : DC65

## Services:

---

The SUBOSEN DC001 USB-C Desktop Docking Station is ideal for a wide range of applications and scenarios. Our service including:

Product Design and Development:

- Custom Design: Creation of unique designs tailored to client specifications.
- Prototyping: Development of prototypes to test design concepts.
- R&D: Research and development of new technologies and features.

Manufacturing:

- Mass Production: Large-scale manufacturing of USB hubs, adapters, docking stations, and HDMI switches.
- Assembly: Efficient assembly lines for precise and reliable product construction.
- Quality Control: Rigorous testing and quality assurance procedures to ensure product reliability.

Customization:

- Branding: Custom branding and logo printing on products.
- Packaging: Design and production of customized packaging solutions.
- Firmware Customization: Tailoring firmware to meet specific customer requirements.

## FAQ:

---

Do your USB-C hubs come with a warranty?

- Yes, all our USB-C hubs come with a one-year limited warranty that covers manufacturing defects.

How do I contact customer support?

- You can reach our customer support team via email or through our contact form on the website. We aim to respond to all inquiries within 24 hours.

What should I do if my USB-C hub is not working properly?

- Please contact our customer support team with details about the issue. We will guide you through troubleshooting steps and assist with warranty claims if necessary.

Customization and Bulk Orders

Can I customize the USB-C hubs with my company's logo?

- Yes, we offer customization options including logo printing and personalized packaging. Please contact our sales team for more information on customization services.

Do you offer discounts for bulk orders?

- Yes, we provide discounts for bulk orders. Please contact our sales team for a quote based on your specific requirements.

What types of customizations are available?

- Customizations can include OEM ODM design, logo printing, color options, packaging design, and specific port configurations to meet your needs.
