

## Hdmi Switch Remote Control Splitter IR Auto Switching DC 5V Power Supply

### Our Product Introduction

#### Basic Information

- Place of Origin: China
- Brand Name: SUBOSEN
- Certification: CE,FCC,ROHS,ISO 9001
- Model Number: HW01
- Minimum Order Quantity: 500 Pcs
- Price: 2-10usd/pcs
- Packaging Details: Customized Colorful boxes
- Delivery Time: 7-10workdays
- Payment Terms: TT in advance
- Supply Ability: 200000PCS/month

#### Product Specification

- Dimensions: 3.94 X 2.36 X 0.79 Inches
- Power Supply: DC 5V
- Color: Black,Gray
- Compatible With: PS5 PS4 Xbox DVD Player Fire Stick Apple TV PC
- Power Consumption: 1W
- Remote Control: IR Remote Control Available
- Material: Aluminum Or Plastic
- Auto Switching: Yes
- Highlight: **hdmi switch remote control, remote control hdmi switcher, hdmi splitter remote control**

## Product Description

### Aluminum Black HDMI Switch with IR Remote Control Auto Switching DC 5V Power Supply

#### Product Description:

Weighing only 2.4 ounces, the HDMI Switch is lightweight and easy to install. It is compatible with a variety of devices, including projectors, monitors, televisions, DVD players, and Blu-Ray players. The switch supports up to three input devices and one output device, making it a multi-input HDMI selector.

In addition to its convenience, the HDMI Switch is also energy-efficient with a power consumption of only 1W. It features auto-switching, which means it automatically switches to the device that is currently in use, eliminating the need for manual input selection. This feature also saves energy by powering off devices that are not in use.

The HDMI Switch comes with a DC 5V power supply that ensures stable and reliable performance. Its compact design makes it easy to store and transport, while its plug-and-play functionality makes it simple to set up. The switch supports a range of resolutions, including 480i, 480p, 720i, 720p, 1080i, and 1080p.

In summary, the HDMI Switch is a highly useful product that can enhance your home entertainment experience. Its lightweight design, multi-input HDMI selector capabilities, auto-switching feature, and energy-efficient performance make it a great addition to any home entertainment system. With its compatibility with a wide range of devices and support for various resolutions, the HDMI Switch is a versatile and efficient product that you won't regret purchasing.

#### Features:

**Product Name:** HDMI Switch

**Compatible Devices:** Projector, Monitor, Television, DVD Player, Blu-Ray Player

**Color:** Black, Gray

**Weight:** 2.4 Ounces

**Auto Switching:** Yes

**Output:** HDMI

The High Definition Multimedia Interface Switch, also known as the HDMI Port Switcher Hub, is a versatile device that allows you to easily switch between multiple HDMI sources on a single output. With compatibility for a wide range of devices, including projectors, monitors, televisions, DVD players, and Blu-Ray players, this HDMI switch is perfect for home entertainment systems, conference rooms, and other applications where multiple HDMI sources need to be connected to a single display.

Weight	2.4 Ounces

SUBOSEN HW01 HDMI Switch is a high-quality product that is designed to facilitate the connection between different HDMI devices. The HDMI Exchange Connector allows users to connect up to 5 HDMI devices to a single display, which is ideal for users who own multiple devices such as PS5, PS4, Xbox, DVD Player, Fire Stick, Apple TV, and PC.

The SUBOSEN HW01 HDMI Switch can be used in various occasions and scenarios, such as:

**Home Entertainment:** The HDMI Switch is perfect for home entertainment setups. Users can connect multiple devices to their TV or

projector without having to constantly unplug and plug in their HDMI cables. This makes it easy for users to switch between devices and enjoy their favorite movies, TV shows, and games.

**Conference Rooms:** The HDMI Switch is also great for conference rooms. Users can connect multiple laptops and other devices to a single display, which makes it easy for them to share their presentations and other content with their colleagues. This can save time and improve productivity during meetings.

**Classrooms:** The HDMI Switch is also ideal for classrooms. Teachers can connect multiple devices to a single display, which makes it easy for them to switch between different sources of content. This can help keep students engaged and improve the overall learning experience.

**Tradeshows:** The HDMI Switch is perfect for tradeshows and other events. Users can connect multiple devices to a single display which makes it easy for them to showcase their products and services. This can help attract more customers and improve the overall success of the event.

The SUBOSEN HW01 HDMI Switch is also highly compatible with various devices, including PS5, PS4, Xbox, DVD Player, Fire Stick, Apple TV, and PC. It supports HDCP 2.2 and comes in two colors, black and gray. The HDMI Switch has a low power consumption of 1W and is certified with CE, FCC, ROHS, and ISO 9001. The product has a minimum order quantity of 100PCS and is priced between 2-10usd/pcs. The packaging details are customizable and the delivery time is typically 7-10 workdays. TT in advance is the accepted payment term and the supply ability of the product is 200000PCS/month.

## FAQ:
