hdmi splitter hdmi switch, hdmi splitter switch**

Product Description

Black Grey HDMI Splitter 3 In 1 Out HDMI Switch with Remote Support 3D 4K 1080P

Product Description:

Our HDMI Switch supports resolutions up to 4K@60Hz, ensuring you get the best picture quality from your devices. It is also compatible with a wide range of devices, including projectors, monitors, televisions, DVD players and Blu-Ray players, making it a versatile addition to any setup.

The HDMI Switch is incredibly easy to use, with no software or drivers required. Simply plug in your devices and switch between them using the IR Remote Control. The HDMI Switch also comes with a DC 5V power supply, ensuring stable and reliable performance every time you use it.

With a power consumption of just 1W, our HDMI Switch is an energy-efficient choice for your home entertainment system. You can enjoy all your favorite devices without worrying about high electricity bills or wasting energy.

In summary, our HDMI Switch is the perfect solution for anyone looking to connect multiple devices to their television, monitor or projector. With support for resolutions up to 4K@60Hz, compatibility with a wide range of devices, and an easy-to-use IR Remote Control, this HDMI Port Switcher Hub is a must-have for any home entertainment system. Plus, with a power consumption of just 1W, you can enjoy your favorite devices without worrying about energy waste or high electricity bills.

Features:
