

## 16 In 1 Usb C Thunderbolt 3 Docking Station For Macbook Pc Laptop

Our Product Introduction

### Basic Information

- Place of Origin: China
- Brand Name: subosen
- Certification: CE, FCC
- Model Number: TDC009
- Minimum Order Quantity: 500 Pcs
- Price: 5-100USD/PCS
- Packaging Details: Customized Colorful boxes
- Delivery Time: 7-30
- Payment Terms: L/C, T/T, L/C, D/P
- Supply Ability: 200000PCS/month

### Product Specification

- Type: Thunderbolt 3 USB C
- Function: Charging+Data Transfer+Video Output
- Audio Combo Jack: 1
- Type A Ports: 3 X USB 3.1 Gen 2 Type-A
- Data Transfer Speed: Up To 40Gbps
- OEM/ODM: Support
- Material: Aluminum Alloy
- Power Delivery: Up To 85W For Laptop Charging
- Highlight: thunderbolt 3 usb hub , thunderbolt 3 usb c hub , usb c thunderbolt 3 docking station

## Product Description

### 16 in 1 Aluminum Alloy Thunderbolt 3 USB C Docking Station for macbook pc laptop

#### Product Description:

One of the main features of this Thunderbolt Docking product is its ability to provide Power Delivery of up to 85W, which is ideal for charging your laptop while simultaneously using other connected devices. This ensures that your device remains charged and ready to use, even during heavy usage.

The HDMI port on this Thunderbolt Docking product supports resolutions of up to 4K@60Hz, providing you with crystal-clear picture quality. This makes it perfect for video editing, gaming, or simply streaming your favorite content on a larger display.

#### Features:

Product Name: Thunderbolt Docking

Gigabit Ethernet: Yes

Thunderbolt 3: 2 X Thunderbolt 3 (USB-C)

OEM/ODM: Support

Display Support: 8K/4K Displays

Warranty: 1 Year

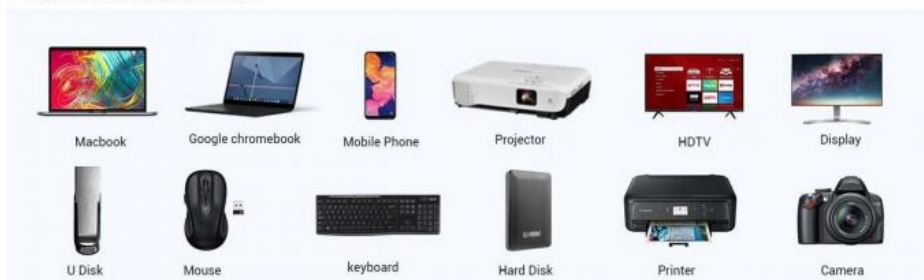

The Thunderbolt Docking is the perfect solution for those looking for a Thunderbolt Notebook Hub or Thunderbolt Connection Station. With Gigabit Ethernet and support for 8K/4K displays, this hub is designed to meet the needs of the modern user. Its Thunderbolt 3 technology provides lightning-fast data transfer speeds, making it an ideal choice for professionals who need to transfer large amounts of data quickly. The Thunderbolt Docking also comes with a 1-year warranty and offers OEM/ODM support.

#### Technical Parameters:

|                     |                                      |
|---------------------|--------------------------------------|
| Product Name        | Thunderbolt Notebook Docking Adapter |
| Display Support     | 8K/4K Displays                       |
| Gigabit Ethernet    | Yes                                  |
| Card Reader         | Yes                                  |
| Function            | Charging+Data Transfer+Video Output  |
| OEM/ODM             | Support                              |
| HDMI                | Up To 4K@60Hz                        |
| Type                | Thunderbolt 3 USB C                  |

| Data Transfer Speed | Up To 40Gbps                         |

#### Extended connection Device

#### Applications:

The Thunderbolt Docking Adapter offers various features such as a card reader, audio combo jack, and HDMI up to 4K@60Hz. These features make it a versatile product that can be used in multiple scenarios. Below are some of the application occasions and scenarios:

**Office Use:** The Thunderbolt Docking Adapter is perfect for office use. It allows users to connect their notebook to multiple displays, making it convenient for presentations and meetings. The card reader also provides a simple way to transfer files between devices.

**Home Entertainment:** The Thunderbolt Docking Adapter is also great for home entertainment. Users can connect their notebook to a

large TV screen via HDMI and enjoy high-quality videos and movies. The audio combo jack also allows users to connect their headphones or speakers for a better audio experience.

**Traveling:** The Thunderbolt Docking Adapter is compact and portable, making it perfect for traveling. Users can easily connect their notebook to a hotel room TV or multiple displays at a conference, improving their overall productivity.

**Gaming:** Gamers can benefit from the Thunderbolt Docking Adapter's ability to connect their notebook to multiple displays and use a larger screen for gaming. The HDMI feature also ensures that gamers can enjoy high-quality graphics and smooth gameplay.
