Product Description

USB 3.0/2.0 Type C Adapter with 10Gbps Data Transfer Speed and Clear 1080P Resolution

Product Description:

The USB Type-C Adapter is designed to be highly portable, making it easy to carry around with you wherever you go. It is also incredibly easy to use, thanks to its Plug and Play feature, which means you don't need to install any drivers or software. Simply plug it into your device, and you're good to go!

One of the most notable features of our USB Type-C Adapter is its fast charging capability. It allows you to charge your devices at lightning-fast speeds, so you don't have to wait around for hours for your device to charge. Additionally, our adapter also supports fast data transfer, which means you can transfer large files quickly and easily.

Our USB Type-C Adapter is also designed to support a high resolution of 1080P @60Hz, which means you can enjoy crystal-clear images and video on your display. Whether you're watching a movie or giving a presentation, our adapter ensures that you have the best viewing experience possible.

Another great feature of our USB Type-C Adapter is that it supports OEM/ODM, which means we can customize it to meet your specific needs. Whether you need a different set of ports or a different color, we can make it happen.

In summary, our USB Type-C Adapter is the ultimate solution for all your connectivity needs. It is portable, easy to use, and comes equipped with a vast array of ports. It supports fast charging, fast data transfer, and a high resolution of 1080P @60Hz. It is also highly customizable, making it the perfect accessory for anyone who needs a reliable and versatile adapter.

Features:

Product Name: USB-C Adapter

Resolution: 1080P @60Hz

Compatible Devices: Smartphones, Laptop With Thunderbolt Or Full Function USB C Port, Laptops

Power Delivery: Up To 100W

USB Type: USB 3.0/2.0 Type-C Adapter

Special Feature: Portable, Fast Charging, Fast Data Transfer, Plug And Play

Type-C Port Extender

Type-C Port Extender

USB-C Connector Hub

Technical Parameters:

Port	Type C, HDMI, MicroSD, USB Type C, Ethernet, HDMI, USB 3.0/2.0, VGA
Compatible Devices	Smartphones, Laptop With Thunderbolt Or Full Function USB C Port, Laptops
OEM/ODM	Support
Data Transfer Speed	Up To 10/5Gbps
Material	Aluminum
Power Delivery	Up To 100W
Special Feature	Portable, Fast Charging, Fast Data Transfer, Plug And Play
USB Type	Usb 3.0/2.0 Type-c Adapter
Resolution	1080P @60Hz

Applications:

Certified by both the CE and FCC, this USB-C Adapter is made in China and has a minimum order quantity of 300 units. With a price range of 3-99, this product is affordable and comes individually wrapped for added convenience.

With a data transfer speed of up to 10/5Gbps, this adapter has a variety of ports to connect to. These include Type C, HDMI, MicroSD, USB Type C, Ethernet, HDMI, USB 3.0/2.0, and VGA, providing you with a range of options for your devices.

One of the special features of this product is its portability, making it easy to travel with and use on the go. It also has fast charging capabilities and fast data transfer, allowing you to work efficiently.

With a delivery time of 7-30 days, this adapter can be purchased using a range of payment methods, including L/C, T/T, L/C, and D/P. It is also worth noting that the supply ability for this product is 20000 units per day.

Overall, the subosen USB-C Connector Hub is the perfect solution for anyone looking for a reliable and efficient adapter. With its multiple ports and special features, it is suitable for a range of occasions and scenarios, including business trips, conferences, and personal use.

Don't forget - this product also supports OEM/ODM, allowing you to customize it to your specific needs. So why wait? Order your subosen USB-C Connector Hub today!

Customization:

The USB Type-C Adapter is compatible with smartphones, laptops with Thunderbolt or full function USB C port, and laptops. Our special features include portability, fast charging, fast data transfer, and plug and play. This adapter supports a resolution of 1080P at 60Hz and data transfer speeds of up to 10/5Gbps. Our product is perfect for those who seek a USB-C docking station that is easy to use and

provides high-speed connectivity with their devices.
