Product Description

4 Ports USB A Splitter Ultra-Slim USB Expander High-Speed USB 3.0 Connectors for Mouse Keyboard

Product Description:

One of the key benefits of this USB plug hub is its high-speed data transfer capabilities. With data transfer speeds of up to 5Gbps, you can transfer large files quickly and easily. This makes it an ideal choice for anyone who regularly works with large files, such as video editors or graphic designers.

Another great feature of this USB port hub is its plug and play functionality. This means that you don't need to install any drivers or software to use it. Simply plug it into your computer's USB port and it will be ready to use. This makes it a great choice for anyone who needs to quickly and easily connect USB devices to their computer.

The USB-A Hub is also incredibly versatile and compatible with a wide range of devices. It features USB 2.0 ports with data transfer speeds of up to 480Mbps, making it perfect for connecting keyboards, mice, and other devices that don't require high-speed data transfer. It is compatible with both USB-A and Type C devices, making it a great choice for anyone who needs to connect multiple devices to their computer.

FAQs:

subosen UAH01 USB-A Hub is a versatile product that can be used in a variety of occasions and scenarios. Its USB-A connector allows for easy connection to a wide range of devices, making it a popular choice for both personal and professional use.

Usage and Compatibility

Do I need to install any drivers to use the USB-C hub?

- No, our USB-C hubs are designed to be plug-and-play. No additional drivers are required for use.

Can I use the USB-C hub with my smartphone?

- Yes, as long as your smartphone has a USB-C port that supports OTG (On-The-Go) functionality, you can use our USB-C hub with it.

Will the USB-C hub work with my gaming console?

- Our USB-C hubs can be used with gaming consoles such as the Nintendo Switch for connecting peripherals and expanding connectivity options.

Ordering and Shipping

How can I place an order for a custom USB-C hub?

- You can place an order directly through our online store. Simply select the product, customize it if necessary, and proceed to checkout.

Do you offer international shipping?

- Yes, we offer international shipping to many countries. Shipping fees and delivery times may vary depending on the destination.

What is the estimated delivery time for my order?

- Delivery times can vary based on your location and chosen shipping method. Typically, orders are processed within 1-2 business days and delivered within 5-10 business days for standard shipping.

Warranty and Support

Do your USB-C hubs come with a warranty?

- Yes, all our USB-C hubs come with a one-year limited warranty that covers manufacturing defects.

How do I contact customer support?

- You can reach our customer support team via email or through our contact form on the website. We aim to respond to all inquiries within 24 hours.

What should I do if my USB-C hub is not working properly?

- Please contact our customer support team with details about the issue. We will guide you through troubleshooting steps and assist with warranty claims if necessary.

Customization and Bulk Orders

Can I customize the USB-C hubs with my company's logo?

- Yes, we offer customization options including logo printing and personalized packaging. Please contact our sales team for more information on customization services.

Do you offer discounts for bulk orders?

- Yes, we provide discounts for bulk orders. Please contact our sales team for a quote based on your specific requirements.

What types of customizations are available?

- Customizations can include OEM ODM design, logo printing, color options, packaging design, and specific port configurations to meet your needs.
