4-Port USB A Hub with Power Supply Sleek Black Gray Aluminum Hub Adapter for computers

Product Description:

The USB-A Hub is available in two sleek and modern colors: black and gray. This USB plug hub is not only functional, but also stylish, making it a great addition to any workspace or home office. In addition to its aesthetic appeal, the USB-A Hub also provides power supply to your devices. This means that you can charge your phone, tablet, or other USB-powered device while using the hub. Its USB 2.0 ports offer data transfer speeds of up to 480Mbps, making it ideal for use with keyboards, mice, and other peripherals.

Features:

Product Name: U001 USB-A Hub

Color: Black, Gray

Backward Compatibility: Compatible with USB 2.0 and USB 1.1 devices, ensuring they can be used with a wide range of older peripherals

Number of Ports: 4-Port to 10-Port Options

Plug and Play: Yes

Overcurrent Protection: Enhanced Safety

The USB-A Hub is a versatile usb-a extender that comes in a sleek black or gray color. It features a usb-a connector that is backward compatible with USB 2.0 and USB 1.1 devices, ensuring they can be used with a wide range of older peripherals. With 4-Port to 10-Port options, this usb-a dock is designed to accommodate all your needs. It is also plug and play, making it easy to use. Enhanced safety features such as overcurrent protection make this USB-A Hub a reliable choice for your connectivity needs.

FAQs:

How can I place an order for a custom USB-C hub?

- You can place an order directly through our online store. Simply select the product, customize it if necessary, and proceed to checkout.

Do you offer international shipping?

- Yes, we offer international shipping to many countries. Shipping fees and delivery times may vary depending on the destination.

What is the estimated delivery time for my order?

- Delivery times can vary based on your location and chosen shipping method. Typically, orders are processed within 1-2 business days and delivered within 5-10 business days for standard shipping.

Do your USB-C hubs come with a warranty?

- Yes, all our USB-C hubs come with a one-year limited warranty that covers manufacturing defects.

How do I contact customer support?

- You can reach our customer support team via email or through our contact form on the website. We aim to respond to all inquiries within 24 hours.

What should I do if my USB-C hub is not working properly?

- Please contact our customer support team with details about the issue. We will guide you through troubleshooting steps and assist with warranty claims if necessary.

Customization and Bulk Orders

Can I customize the USB-C hubs with my company's logo?

- Yes, we offer customization options including logo printing and personalized packaging. Please contact our sales team for more information on customization services.

Do you offer discounts for bulk orders?

- Yes, we provide discounts for bulk orders. Please contact our sales team for a quote based on your specific requirements.

What types of customizations are available?

- Customizations can include OEM ODM design, logo printing, color options, packaging design, and specific port configurations to meet your needs.
