9 In 1 Usb C Adapter Docking Station HDMI 4K Gigabit Ethernet USB 3.0 Data Transfer 10Gbps

Our Product Introduction

Basic Information

- Place of Origin: China
- Brand Name: SUBOSEN
- Certification: CE,FCC,ROHS,ISO 9001
- Model Number: ru9a-c
- Minimum Order Quantity: 500 Pcs
- Price: 5-20 USD/PCS
- Packaging Details: Customized Colorful boxes
- Delivery Time: 15workdays
- Payment Terms: TT in advance
- Supply Ability: 200000PCS/month

Product Specification

- Video Output: HDMI: Up To 4K Resolution At 30Hz Or 60Hz.
- Network Connectivity: Gigabit Ethernet: Provides Stable And Highspeed Wired Internet Connection Up To 1Gbps.
- Material: Aluminum Alloy
- Data Transfer Rate: USB 3.0: Up To 10Gbps
- USB-C Ports: Data Transfer Speeds Up To 10Gbps, Ideal For Connecting High-speed External Storage Devices.
- Number Of Ports: 10 To 20, To Support Multiple Devices And Peripherals Simultaneously
- Connector: USB 3.1 Type-C Connector
- VGA Port: Allows Connection To Older Monitors And Projectors Via VGA

9 in 1 Aluminum USB C Docking Station adapter with HDMI 4K Gigabit Ethernet USB 3.0 Data Transfer At 10Gbps

Product Description:

The USB-C Multiport Docking Station comes with a USB-C to USB-C cable and a user manual, making it easy to set up and use. It is compatible with Windows 10, 8.1, 8, and 7. This docking station supports dual or triple display setups, making it perfect for those who need a multi-monitor setup. With its dual display support, you can connect two external monitors to your laptop or desktop, making it easier to work on multiple tasks at the same time.

The USB-C Multiport Docking Station is backed by a 1-year warranty, so you can be confident in your purchase. With its compact and ergonomic design, this docking station is perfect for those who need a space-saving solution for their USB peripherals. Whether you are working from home, in the office, or on the go, the USB-C Multiport Docking Station is the perfect solution for all your USB docking needs.

Features:

Product Name: RU9A-C USB-C Docking Station

Cooling and Ventilation: Heat Dissipation

USB-C Ports: Data Transfer Speeds Up To 10Gbps, Ideal For Connecting High-speed External Storage Devices.

Data Transfer Rate: USB 3.0: Up To 10Gbps

DisplayPort: DisplayPort Outputs Supporting Up To 4K Resolution

HDMI port: 4K UHD Support, Dual Or Triple HDMI Outputs

Portable Docks: Yes

USB-C Multiport Docking: Yes

Docking station with DisplayPort: Yes

Technical Parameters:

Card Readers	SD Card Slot: Supports Various Capacities And Speed Classes
USB 2.0 Ports	Data Transfer Speeds Up To 480Mbps, These Ports Are Ideal For Connecting Keyboards, Mice
DP port	Up To 4K UHD(3840*2160/60HZ)
Color	Space Gray, Silver, Black, White, Gold.Customizable
Form Factor	Portable Or Desktop
Cooling and Ventilation	Heat Dissipation
USB 3.0 Ports	Multiple USB 3.0 Ports: Provide Data Transfer Speeds Up To 5Gbps, Suitable For Connecting External Hard Drives, Flash Drives, And Other High-speed Peripherals.
Ethernet port	Support 10/100/1000 Mbps
Operating System Compatibility	Windows, MacOS
Dual Display Support	Supports Dual Or Triple Display Setups

This docking station is perfect for those in need of a dual monitor docking station with Ethernet capabilities. It supports multiple operating systems and has a variety of ports for connecting peripherals.

Applications:

Professional Use:
- Video Editing: High-speed data transfer ports and multiple display support for editing and reviewing high-resolution video content.
- Office Setup: Ethernet connectivity for stable internet, multiple USB ports for peripherals, and dual monitor support for increased productivity.

Travel:
- Portable Design: Compact hubs with essential ports for quick data transfer and device charging on the go.
- Durability: Robust build to withstand frequent travel.

Home Use:
- Media Consumption: HDMI ports for connecting to TVs and monitors, audio jacks for connecting speakers and headphones.
- Gaming: High-speed Ethernet for stable gaming connections, USB ports for game controllers and external drives.
