

9 In 1 Displaylink Docking Station Usb C With Audio Port For Laptop Pc Notebook

Our Product Introduction

for more products please visit us on subosen.com

Basic Information

- Place of Origin: China
- Brand Name: SUBOSEN
- Certification: CE,FCC,ROHS,ISO 9001
- Model Number: RU9A
- Minimum Order Quantity: 500 Pcs
- Price: 5-20 USD/PCS
- Packaging Details: Customized Colorful boxes
- Delivery Time: 15workdays
- Payment Terms: TT in advance
- Supply Ability: 200000PCS/month

Product Specification

- Compatible Devices: Compatible With A Range Of Operating Systems, Including Windows, MacOS, Linux, And Chrome OS, Ensuring Broad Usability Across Different Devices.
- Ethernet Port: Support 10/100/1000 Mbps
- Software Integration: DisplayLink Technology
- Material: Aluminum Alloy
- USB 3.0 Ports: Multiple USB 3.0 Ports: Provide Data Transfer Speeds Up To 5Gbps, Suitable For Connecting External Hard Drives, Flash Drives, And Other High-speed Peripherals.
- Card Readers: SD Card Slot: Supports Various Capacities And Speed Classes.
- Operating System Compatibility: Windows, MacOS

Product Description

Aluminum Alloy 9 in 1 USB C Docking Hub With DisplayLink audio port for laptop pc notebook

Product Description:

The HDMI port on our docking station supports 4K UHD resolution, making it ideal for those who need high-quality video output. The docking station provides dual or triple HDMI outputs, which means that you can connect multiple monitors and use them simultaneously. This feature is perfect for professionals who need to work on multiple screens or those who want to watch movies in high definition. In summary, our USB-C Docking Station is a must-have for anyone looking for a portable docking station that can expand their connectivity options. It is a perfect fit for MacBook Pro users who need to connect multiple peripherals to their laptop without sacrificing performance or convenience. With multiple USB 3.0 ports, plug-and-play functionality, integrated power control, and high-quality HDMI output, our docking station is an excellent addition to any workspace.

Features:

Product Name: RU9A USB-C Docking Station

Cooling and Ventilation: Heat Dissipation

Cable Design: Integrated Cable: Builtin Cables For Convenience

Space-Saving: Compact And Ergonomic Design

Package Contents: Docking Station, USB-C To USB-C Cable, User Manual

Data Transfer Rate: USB 3.0: Up To 10Gbps

USB-C Multiport Docking

Docking station for LAPTOP and iPad Pro

Multi-port docking station

Technical Parameters:

Product Attributes	Description
Video Output	HDMI: Up To 4K Resolution At 30Hz Or 60Hz. DisplayPort Outputs Supporting Up To 4K Resolution
TF Card Slot	Supported Memory Card capacity Up To 512 GB Reading Speed:20Mb/s Storage Speed:13Mb/s
Power Control	Integrated On/Off Switches
Color	Space Gray, Silver, Black, White, Gold.Customizable
Number of Ports	10 To 20, To Support Multiple Devices And Peripherals Simultaneously
Operating System Compatibility	Windows, MacOS
USB 2.0 Ports	Data Transfer Speeds Up To 480Mbps, These Ports Are Ideal For Connecting Keyboards, Mice
Audio Port	Support 3.5mm Audio Jack
Data Transfer Rate	USB 3.0: Up To 10Gbps

Applications:

With its USB 2.0 ports, the ru91 offers data transfer speeds of up to 480Mbps, making it an ideal choice for connecting keyboards, mice, and other peripherals. And with its Type-C port, you can easily connect to your host device and enjoy lightning-fast data transfer rates. But that's not all: the DC001 also features power delivery capabilities, supporting up to 100W of power for even the most demanding devices. And with its DisplayPort, you can enjoy stunning 4K resolution at up to 60Hz, making it an ideal choice for both personal and professional use.
