

8-in-1 dual USB C Docking Station hub Fits M.2 NVMe/SATA SSD with diaplaylink and cooling fans

Our Product Introduction

Basic Information

- Place of Origin: China
- Brand Name: SUBOSEN
- Certification: CE,FCC,ROHS,ISO 9001
- Model Number: gm28p2
- Minimum Order Quantity: 500 Pcs
- Price: 5-20 USD/PCS
- Packaging Details: Customized Colorful boxes
- Delivery Time: 15workdays
- Payment Terms: TT in advance
- Supply Ability: 200000PCS/month

Product Specification

- Size: 129.3x54.3x22.4mm
- Other Function: Magnetic Case
- Ports: HDMI, VGA, USB 3.0, Ethernet, SD Card Reader, Audio
- Support Systems: Support Systems
- Connectivity: Plug And Play
- Transmission Rate: 10Gbps
- NVMe And NGFF SSDs: 2230, 2242, 2260, and 2280.
- Compatibility: Windows, Mac, Chrome OS
- Highlight: **8-in-1 USB C Docking Station, 8 in 1 usb c hub, dual usb c docking station**

Product Description

8-in-1 USB C Docking Station Fits M.2 NVMe/SATA SSD with displaylink and cooling fans

Product Description:

The USB-C Docking Station comes with an M.2 SSD Enclosure, allowing you to store large amounts of data with ease. With power delivery of up to 100W, you can charge your laptop or other USB-C devices at lightning speed.

The Displaylink IC ensures a smooth and seamless experience with multiple displays, making it ideal for professionals who require a high level of productivity. The transmission rate of 10Gbps ensures fast data transfer, saving you time and increasing efficiency.

Whether you're looking to expand your workspace or streamline your workflow, the USB-C Docking Station with M.2 SSD Enclosure is the perfect solution. Get yours today!

Features:

Product Name: USB-C Docking Station

Support Systems: Support Systems

Color: Black

Ports:

HDMI

VGA

USB 3.0

Ethernet

SD Card Reader

Audio

Cooling and Ventilation: Heat Dissipation - Heat Sink and Cooling Fans

NVMe and NGFF SSDs: 2230, 2242, 2260, and 2280

Multi-port docking station

Portable Docks

Docking station for iPad Pro

Technical Parameters:

| Product Attribute | Value |
|------------------------------|---|
| Product Name | USB-C Docking Station Adapter |
| Material | Aluminum Alloy And ABS |
| Supported NVMe and NGFF SSDs | 2230, 2242, 2260, and 2280 |
| Displaylink IC | Yes |
| Compatibility | Windows, Mac, Chrome OS |
| Power Delivery | Up To 100W |
| Transmission Rate | 10Gbps |
| Resolution | Up To 4K |
| Support Systems | Support Systems |
| Warranty | 1 Year |
| Cooling and Ventilation | Heat Dissipation:heat Sink And Cooling Fans |
| Product Type | USB-C Laptop Docking Station |
| Additional Features | Docking station with Ethernet |

Customization:

Customize your USB-C Docking Station with SUBOSEN, from China with CE, FCC, ROHS, and ISO 9001 certification. The minimum order quantity is 100pcs at a price range of 5-20 USD/PCS. The packaging details are customizable in colorful boxes. Delivery time takes 15 workdays with TT in advance payment terms. Our supply ability is 200000PCS/month.

Our USB-C Laptop Docking Station and USB-C Desktop Docking Station come with Displaylink IC and 3.5mm Audio Jack to facilitate connection with headphones, microphones, or speakers. We have designed our docking station to house NVMe and NGFF SSDs of sizes 2230, 2242, 2260, and 2280. Additionally, the docking station features cooling and ventilation with heat dissipation through heat sink and cooling fans. We provide a 1-year warranty for our product.

Packing and Shipping:

The USB-C Docking Station comes in a sleek, black box with the product image and name prominently displayed on the front. The packaging is designed to protect the product during shipping and features foam inserts to keep the docking station secure. Inside the box, you will find

- 1 x Docking station
- 1 x Thermal Fin
- 1 x User Manual
- 1x Screw
- 2 x Plastic Plug
- 1 x Thermal Pad
- 1 x Screwdrivers

Shipping:

The USB-C Docking Station is shipped via standard ground shipping and is typically delivered within 3-5 business days. Shipping is available within the United States and internationally. Once your order has been shipped, you will receive a tracking number via email to track your package's delivery status.

FAQ:

Frequently Asked Questions about SUBOSEN USB-C Docking Station (Model: DC001)
