Product Description

Product Description:

Our USB-C hub features an HDMI port that supports 4K/2K/1K resolution, with a 60Hz or 30Hz refresh rate. This allows you to connect your laptop or other device to a larger screen, such as a TV or projector, and stream high-quality video content.
The USB-C hub is made from high-quality aluminum alloy and ABS material, ensuring durability and longevity. It is lightweight and compact, making it easy to carry with you wherever you go.
If you're looking for a versatile and reliable USB-C hub with power delivery, our all-in-one USB-C hub is the perfect choice. It is compatible with a wide range of devices, including laptops, tablets, and smartphones, making it a must-have accessory for anyone who needs to expand their device's capabilities.

Customization:

Our USB-C hub is made of high-quality aluminum alloy and ABS materials, making it durable and long-lasting. You can choose from USB Type 3.0, 3.1, or 2.0 depending on your needs. Our USB-C dock is compatible with Windows, MacOS, Android, and Linux, so you can use it with virtually any device you need.

You can customize our USB-C hub to perfectly match your brand's image, with your own OEM/ODM logo. Our minimum order quantity is 100pcs, with prices ranging from $2-$50 per unit, depending on your specific requirements. Our packaging details can also be customized with your own colorful boxes to help your brand stand out.

We offer fast delivery times of 7-10 workdays, and accept TT in advance as our payment terms. With a supply ability of 200,000pcs per month, you can rest assured that we can handle your order of any size. Whether you need a travel-friendly USB-C dock with power delivery, or a smart USB-C dock with PD support, SUBOSEN has got you covered.

Choose from our classic colors of silver, grey, or black to match your style. Contact us today to discuss your USB-C hub customization needs!

Support and Services:

The USB-C Hub product comes with a one-year warranty to ensure customer satisfaction. Our technical support team is available 24/7 to assist with any technical issues or questions. We also offer a range of services to enhance the performance of your USB-C Hub, including firmware updates and driver downloads. In addition, we provide troubleshooting guides and FAQs on our website to help you resolve any common issues quickly and easily. Our goal is to provide reliable and efficient technical support and services to ensure that your USB-C Hub operates smoothly and efficiently.
