1 x USB 3.0
1 x USB-C PD 100W Charging

Type-C port enables fast and powerful recharging

**HIGH SPEED
DATA TRANSFER**

USB 3.0 **5Gbps**

USB 2.0 480Mbps

10X

Faster Than USB 2.0

The image is a promotional graphic for USB 3.0. On the left, a close-up of a USB 3.0 port on a grey device is shown, with the text 'USB 3.0' printed below it. To the right, a speed comparison bar shows 'USB 3.0 5Gbps' with a long blue line and 'USB 2.0 480Mbps' with a much shorter blue line. Below this, the text '10X' is displayed in large blue font, followed by 'Faster Than USB 2.0'. At the bottom, a horizontal collage of four images represents different data types: a woman singing (audio), a snowy mountain landscape (photos), a character from a video game (gaming), and a cartoon character (video).

CRYSTAL CLEAR HDMI VIDEO

Support high-definition video output

HDMI 1

1920*1080 @60Hz

HDMI 2

1920*1080 @60Hz

TINY BUT MIGHTY

Perfect size to pack away in your briefcase
Ready for work or play anytime, anywhere

Support and Services:

Our USB-C Hub product comes with a comprehensive technical support and service package. Our team of experts is available to assist with any issues you may encounter during installation, setup, or use of the product.

In addition, we offer regular software updates to ensure that the product remains compatible with the latest devices and operating systems. Our support team can also provide guidance on how to optimize the performance of the USB-C Hub and troubleshoot any problems that arise.

If you require additional assistance or repairs, our product is backed by a warranty for your peace of mind. Contact us for more information on our support and service offerings.
