Product Description

Product Description:

With this USB-C hub, you can transfer data at lightning-fast speed of up to 5/10 Gbps. That's 10 times faster than USB 2.0 and twice as fast as USB 3.0. You can now transfer large files, photos, and videos in seconds.

The HDMI port supports up to 4K/2K/1K resolution, allowing you to connect your laptop to a larger display and enjoy high-quality video streaming at 60Hz/30Hz. You can mirror or extend your laptop's screen to improve work productivity or enjoy your favorite movie or game on the big screen.

The USB-C hub also supports PD transport up to 100W, which means you can charge your laptop while using the hub. The smart PD technology automatically detects your device and delivers the optimal charging speed to ensure your device charges quickly and safely. The USB-C hub comes in three colors: silver, grey, and black, to match your style and preference. It's also compatible with Windows, MacOS, Android, and Linux, making it a versatile and essential accessory for all laptop users.

With its compact and lightweight design, this USB-C hub is perfect for travel, home, or office use. Say goodbye to the inconvenience of carrying multiple adapters and cables. This handy USB-C docking station is all you need to enhance your device connections and productivity.
