Solve the problem that the notebook has no card slot to read the card

Product Description

13 in 1 USB C hub Docking Station Dual Monitor Triple Display with Audio

Product Description:

Simply plug in and operate. You may obtain 2*4K HDMI, DisplayPort, 2*USB C ports (which enable 100W Power Delivery+10Gbps Data Transfer), USB 3.1(10Gbps), 3*USB 3.0, 2*USB 2.0, 3.5mm Audio, and a Gigabit Ethernet port with this USB C hub multiple adapter. Only Windows systems support MST and SST (Mirror & Extend Mode) on this USB C docking station. HDMI ports can support up to 4K@60Hz (DP1.4 Source); DP ports can support up to 4K@60Hz.

USB-C 3.1 Eliminate the need to differentiate between data transmission and fast charging ports, enabling simultaneous 10Gb/s high-speed data transfer. Additionally, this 100W PD Charging PC docking station supports power supply.

Features:

Product Name: USB-C Hub

Host interface: USB 3.2 Gen 1 (3.1 Gen 1) Type-C

Housing material: Aluminum Alloy+ABS

Card reader integrated: Yes

Custom design: Available

Color: Silver/Grey/Black

Lightweight USB-C port expander

Versatile USB-C hub with power delivery

Convenient USB-C hub with PD

Technical Parameters:

Host interface	USB 3.2 Gen 1 (3.1 Gen 1) Type-C
HDMI ports quantity	1-3
USB 3.2 Gen 1 (3.1 Gen 1) Type-C ports quantity	1-2
Hub interfaces	HDMI, USB 3.2 Gen 1 (3.1 Gen 1) Type-A, USB 3.2 Gen 1 (3.1 Gen 1) Type-C
Logo	OEM/ODM
Custom design	Available
Color	Silver/Grey/Black
RJ45	10/100/1000Mbps
Compatibility	Windows, MacOS, Android, Linux
Compatible memory cards	MicroSD (TransFlash), SD

This lightweight USB-C port expander is a smart USB-C dock with PD support that makes it a handy USB-C docking station for various devices.

Our Factory & Workshop

Applications:

The SUBOSEN C110 is perfect for various occasions and scenarios. Whether you're at home, in the office, or on the go, it can easily connect to your USB-C devices, such as laptops, smartphones, and tablets. Its compact design makes it easy to carry around, and its efficient USB-C port multiplier allows you to connect multiple devices at once.

Some possible scenarios where the SUBOSEN C110 can be useful include:

Expanding the capabilities of your USB-C laptop while on a business trip

Connecting multiple USB devices to your USB-C smartphone or tablet

Transferring files from various memory cards to your USB-C laptop

Creating a workstation setup at home using a USB-C laptop

Connecting a USB-C laptop to a projector or monitor for presentations

The SUBOSEN C110 is also available for custom design, allowing you to personalize its appearance according to your preference. Its sample time is only 7 days, making it easy to test before making a bulk order.

Upgrade your USB-C devices with the SUBOSEN C110, the travel-friendly USB-C dock with power delivery that provides efficient and reliable connectivity.

Support and Services:

Our USB-C Hub product comes with comprehensive technical support and services to ensure that you have a seamless experience with our product. Our support team is available to assist you with any queries or issues that you may face with the product. We also provide software updates and patches to address any bugs or compatibility issues that may arise. In addition, we offer repair and replacement services for any defective products within the warranty period. Our goal is to provide you with the best possible customer service and maintain your trust in our brand.
