

8K HDMI Switch 3 In 1 Out Support 3 HDMI Input 8K 60Hz 4K 120Hz Advanced Technology

Our Product Introduction

Basic Information

- Place of Origin: Guangdong, China
- Brand Name: Subosen
- Certification: RoHS
- Minimum Order Quantity: 500 Pcs
- Price: \$27.57/pieces 2-49 pieces
- Packaging Details: white box
- Supply Ability: 100000 Piece/Pieces per Month

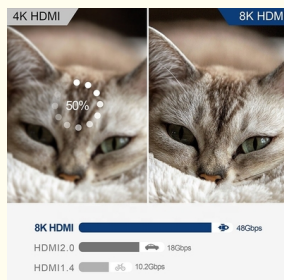

Product Specification

- Private Mold: NO
- Product Name: 8K HDMI Switch 3X1
- Interface: HDMI Interface
- Gender: Female-Female
- Input: 3 HDMI Input
- Output: 1 HDMI Output
- Color: Black
- Function: Switch
- Feature: Plug
- Warranty: 12 Months
- Port: Shenzhen Guangzhou
- Highlight: 4K 120Hz 8K HDMI Switch, 3 HDMI Input 8K HDMI Switch

Product Description

3 Input 1 Output 8K HDMI Switch 3 Ports 8K HDMI Switch 3 In 1 Out Support 8K@60Hz 4K@120Hz

[Unidirectional 3 In 1 Out 8K HDMI-compatible 2.1 Switch] New upgraded HDMI-compatible 2.1 switch 3 in 1 out, connect 3 HDMI-compatible sources to one display, allowing you to switch between different devices with one key. All ports are designed on the same side which makes the desktop tidier, and the indicator light allows you to easily distinguish the working device. **[Tips: Up to the best performance with power supply. Please pay attention that this switcher is not a bi-directional switcher, you can only use from three source to one display, but you can not connect from one source to three displays, only 3 in 1 out, not 1 in 3 out.]**

[Automatically Switch Signals] The HDMI-compatible switch box uses the most advanced chip and has far superior performance. A compact body and stylish appearance can bring you a great experience. In addition, there is a built-in automatic recognition program, which can automatically switch to the latest plug-in device without pressing a button, making it more convenient for you to use.

[8K UHD Video & Audio Transmission] This HDMI-compatible switcher supports 8K@60Hz, 4K@120Hz Resolution, Dynamic HDR, eARC, HDCP 2.2 & 2.3, DTS-HD Master Audio, DTS:X, Dolby Vision. In addition, this switcher has up to 48Gbps ultra-high bandwidth which can transmit UHD video and audio data with ultra high speed, making your home theater have a cinema-like audio-visual effect.

[Aluminum Shell & Widely Compatible] The multi-port switch is made of a high-quality aluminum alloy shell that has excellent heat dissipation performance. Compatible with input device: Xbox Series X, PS5 / PS4, Computer, Laptop, 4K & 8K Blu-Ray Player, Roku Streaming Stick, Fire Stick, Apple TV. Output devices: LG/Sony/Samsung 8K UHD/QLED TV, monitors, projectors, and other 4K/2K displays etc.

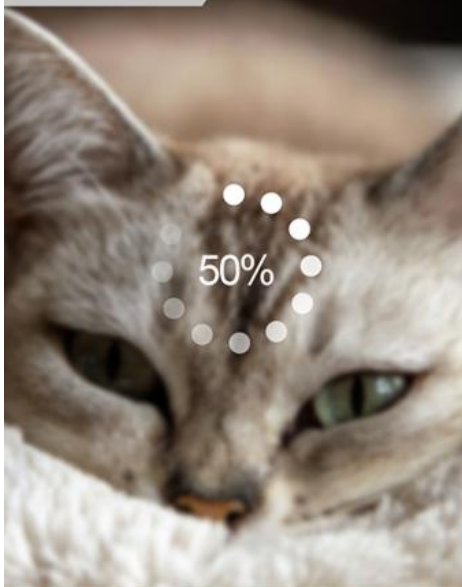

[What You Can Get] You will get HDMI-compatible Switch 3 In 1 Out x 1, USB charging cable x 1, User manual x 1, 12 months after-sales service. Whether you encounter any problems before or after the purchase, please feel free to contact us, Our professional team will help you solve them within 12 hours.

When connecting your PC with graphics cards such as NVIDIA (RTX3060, 3070, 3080, 3090 Series) and AMD (RX 6600, 6700, 6800, 6900 Series) to 8K UHD TV. Remember to turn on the deep color function of TV sets ("HDMI-compatible Ultra HD Deep Color"). For the PC settings, be sure to choose the right Refresh rate: 3840x2160@120Hz and turn on HDR function ("Display Setting" → "Advanced Display Settings" → "Windows HD Color" → turn on "Play HDR Games and Apps" → OK), then you can enjoy your 4K@120Hz HDR games and videos.
