

## USB C Female to Ethernet Port Adapter 10/100/1000 Mbps Speed for Fast Network Connection

## Basic Information

- Place of Origin: Guangdong, China
- Brand Name: Stone
- Minimum Order Quantity: 500 Pcs
- Price: \$7.08 - \$9.23/pieces
- Packaging Details: blister packing pe packing
- Supply Ability: 100000 Piece/Pieces per Month

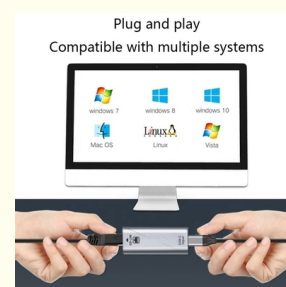

## Product Specification

- Private Mold: NO
- Products Status: Stock
- Application: LAPTOP
- Type: Wired
- Kind: External
- Transmission Rate: 1000Mbps
- Interface Type: USB3.1
- Product Name: Type-C Female To RJ45 Ethernet Female Adapter
- OEM/ODM: Accept
- Interface: USB 3.1
- Gender: Female-Female
- Input: USB 3.1 Type C Female
- Output: RJ45 Female
- Color: Gray

## Product Description

### Product Description

## USB C Gigabit Ethernet RJ45 Lan Adapter USB C USB-C Type-C Female To Gigabit Lan Ethernet Port Adapter Adaptor Plug And Play

**Description:**

The Type-C female terminal is connected to the equipment terminal, and the RJ45 network port is connected to the LAN.

Support 10/100/1000Mbps

Plug and play

Adopt aluminum alloy shell, fast heat dissipation, wear-resistant and anti-fingerprint.

It's lightweight and doesn't take up space, and it's easy to carry.

Supports computers, mobile phones, and tablet devices with Type-C interfaces.

**Specifications:**

Name: type-c network port converter

Type: type-c female to RJ45

Material: aluminum alloy

Size: 56.6\*25.2\*14.6mm

Support system: For windows, For Android, for Mac OS

**Package Included:**

1 x Type-C Female To RJ45 Converter

### Packaging & Shipping

## Built-in power indicator

Steady green

Flashing yellow

**RJ45**

Gigabit network port

Type-C motherboard / plug and play / wide compatibility

**Type-C network port adapter**

RJ45 gigabit network interface

## Type-C network port adapter

Support multi system, suitable for network port expansion or replacement of damaged network port

TYPE-C base  
Insert the right  
and the wrong

Gigabit network port  
Stable and fast  
transmission

Plug and play  
No drive required

Wide compatibility  
Mobile / tablet / PC

## Gigabit Ethernet port, high-speed transmission

Adaptive support for 10/100/1000Mbps network, providing  
a more stable network environment for notebooks

12.5M/s

100M theoretical rate can reach 12.5M/s

125M/s

Gigabit theoretical rate can reach 125M/s

Note: If the CC cable is only USB2.0, the full-speed function of the  
dry mega network cannot be played. To be able to play, you  
must connect a CC cable that supports usb3.0 or above

## Aluminum alloy shell

Aluminum alloy shell, fast heat dissipation, wear-resistant and anti-fingerprint, strengthen computer protection

Anti-fingerprint

Anti-corrosion

Fast heat dissipation

# Gigabit Ethernet port

## High-speed transmission

12.5M/s  
100M theoretical  
rate can reach 12.5M/s

125M/s  
Gigabit theoretical  
rate can reach 125M/s

Easy to solve the following  
problems for you

Light and thin without  
network port

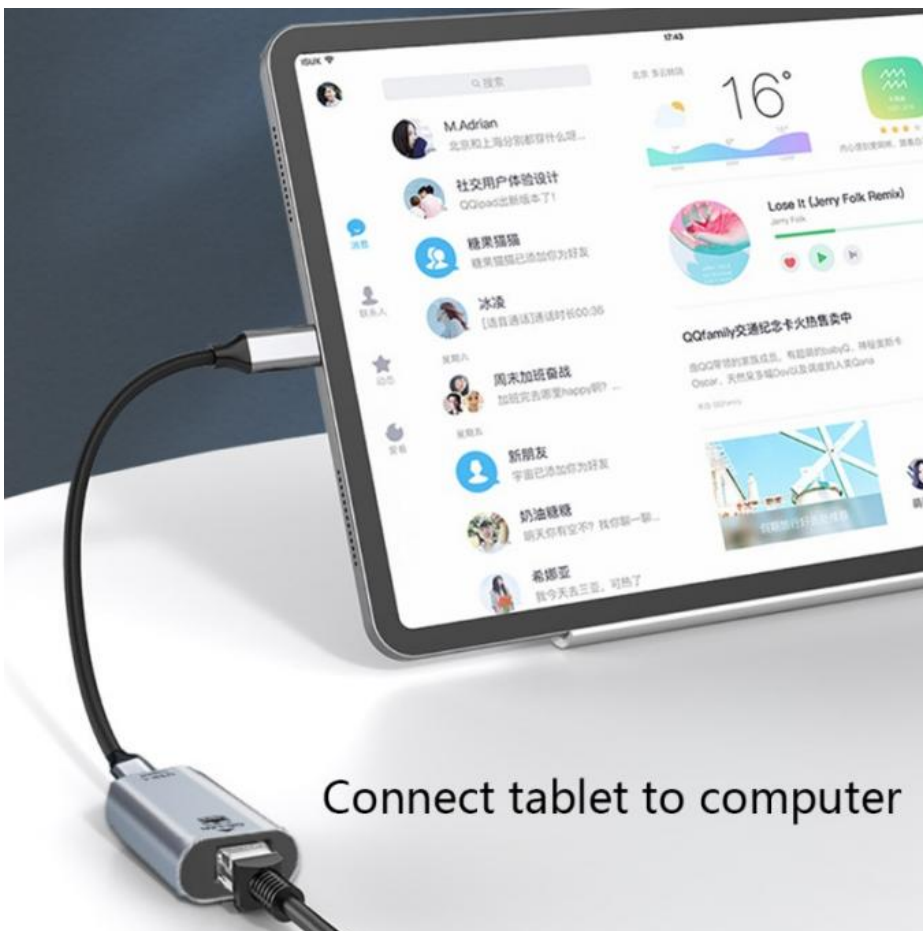

The network port of desktop  
computer is damaged

WiFi signal is unstable

The ultra-thin notebook can also  
be connected to the network cable

Connect tablet to computer

Mobile phone connection network cable  
Play games freely

Plug and play  
Compatible with multiple systems

Our Services

# ABOUT US

Shenzhen Stone Electronics Co., Limited

Shenzhen Stone Electronics Co., Limited, OR "Stone Cable" the company Founded in 2005 is located in SEG building, huaqiang north road, world electronic street, shenzhen. Our the factory was founded in 1985. We are a professional manufacturer of electric wire for 30 years. Our main products are divided into four categories: monitoring line, network line, multimedia line and data line. HDMI VGA DVI USB 3.0 3.1 DP AUDIO DP MINIDP CABLE to meet customer needs, OEM ODM service. Our customers have spread all over the world, from several major foreign markets such as Western Europe, the United States, Asia and Africa.

The factory is located in aozhitang industrial zone, dongcheng city, dongguan city. It has set up a modernized production factory covering an area of 6000 square meters and has advanced production machines and testing equipment. In order to make the enterprise stand unbeaten in the competition, the company has obtained the ISO9001 quality system certification. Through the efforts of 250 employees, our annual output value reaches 50 million RMB in domestic and foreign markets. At the same time, in order to protect the natural environment, our products also passed the RoHS CE UL FC environmental protection international certification.

We firmly believe that: the tenacious fighting spirit, enthusiastic service attitude, on the quality of excellence, perfection in the service, won the customer's support and patronage, we continue to strengthen the existing management organization, improve the efficiency of production tools, adjust the structure of sales, increase product variety, product market share continue to improve.

# MACHINE PRODUCTION

Shenzhen Stone Electronics Co., Limited

## Strict Quality Control

Exterior Inspection, Current Test, Voltage Test, Salt Spray Test, Flexing Test,  
Gravity Test, Transportation Test, Application Test
