### Basic Information

- Place of Origin: China
- Brand Name: SUBOSEN
- Certification: CE,FCC
- Model Number: YH9AC
- Minimum Order Quantity: 500 Pcs
- Price: 22-28usd/pcs
- Packaging Details: Customized Colorful boxes
- Delivery Time: 25-30workdays
- Payment Terms: TT in advance
- Supply Ability: 200000PCS/month

### Product Specification

- Cooling And Ventilation: Heat Dissipation
- Sample Time: 7-15Days
- Port: Shenzhen
- Usb Type: USB A, Type-c
- Power Delivery: Up To 45W
- Ports: USB A\*9(10Gbps)+USB C\*1(10Gbps)+USB C PD45W\*2
- Custom Design: Available
- Material: Aluminum Alloy
- Highlight: **USB C Charging Hub, USB High Speed 3.1 Hub, Laptop USB C Port Hub**

## Product Description

### USB C Port Hub Product Description:

The USB C Hub has two output interfaces: Type C and Audio. The Type C interface supports data transfer speeds of up to 5Gbps, which is 10 times faster than USB 2.0. You can use this interface to connect to devices such as external hard drives, flash drives, and smartphones. The Audio interface allows you to connect a headphone or speaker to your laptop or tablet, so you can enjoy high-quality sound without any distortion.

The USB C Hub is easy to use. Simply plug it into your laptop or tablet's Type C USB C Male port, and it will automatically install the necessary drivers. You don't need any additional software or drivers to use this hub. The hub is also compatible with Windows, Mac, and Linux operating systems, making it a versatile choice for any user.

The USB C Hub comes with a user manual that provides step-by-step instructions on how to use the hub. The manual is easy to read and understand, and it includes diagrams and illustrations to help you get started quickly. The package contents include 1 X USB C Hub and 1 X User Manual.

In conclusion, if you're looking for a Type-C USB Docking Hub that is reliable, durable, and easy to use, then the USB C Hub is an excellent choice. With its high-quality Aluminum Alloy construction, Type C USB Docking Hub interface, and two output interfaces, this hub is perfect for anyone who needs to connect multiple peripherals to their laptop or tablet. So, why wait? Get your USB C Hub today and start enjoying the convenience of having all your devices connected in one place!

## Type-c port

PS: For details about the interface, see the model

**USB3.1 High speed transmission**

USB Version	Speed
USB 3.1	10Gbps
USB 2.0	480Mbps

● Triangular Aluminum Bevel Design HUB

● LED indicator Light

USB 3.0 5GBPS ●  
High-Speed

**Precision machining**

# Heat dissipation stability of alloy

Aluminum alloy shell + anti-oxidation process rapid heat  
dissipation, more stable transmission

Good heat  
dissipation

Corrosion  
resistance

antifriction

# Appearance levels and trends are always online

Simple with all kinds of office equipment,  
details at the beginning of taste

# It's easy to plug it in and use it

Supports multiple operating systems and  
does not require driver installation

Windows

Android

Mac OS

Linux

## Product parameter

name	USB Hub
model	YH9AC
Data port	9*USB A 3.1+USB-C 3.1+2*PD
charging port	DC 20V 3.25A
Output power	PD45W(Single mouth 45W, double mouth 20W)
material	Aluminium alloy+ABS
Quality guarantee	One year warranty

### USB C Port Hub Applications:

With its USB A and Type-C ports, this hub with Type C port is perfect for a wide range of applications and scenarios. Whether you need to connect multiple USB devices to your laptop or desktop computer, or you want to charge your phone or other mobile device, this USB C hub has you covered.

And with its compact size and lightweight design, the YH9AC USB C port expander is easy to take with you wherever you go. Whether you're traveling for work or pleasure, this USB C multiport adapter is the perfect companion for your laptop or other mobile device.

What's more, the YH9AC USB C hub is CE and FCC certified, ensuring that it meets the highest standards for safety and performance. And with a minimum order quantity of just 300pcs, it's easy to get your hands on this high-quality USB C port expander at an affordable price.

So if you're looking for a hub with Type C port that can help you stay connected and productive on the go, look no further than SUBOSEN's YH9AC USB C multiport adapter. With its customizable packaging and fast delivery times, this USB C hub is the perfect choice for businesses and individuals alike.
