Multi-Display Support USB-C Docking Station and Displaylink IC Revolutionize Your Work Efficiency with 8K HDMI Ports

Our Product Introduction

Basic Information

- Place of Origin: China
- Brand Name: SUBOSEN
- Certification: CE,FCC
- Model Number: DC36-X1
- Minimum Order Quantity: 500 Pcs
- Price: 80-85 USD/PCS
- Packaging Details: Customized Colorful boxes
- Delivery Time: 25 workdays
- Payment Terms: TT in advance
- Supply Ability: 200000PCS/month

Product Specification

- Additional Features: Compact Design, Multi-Display Support
- Ports: HDMI, USB 3.0, USB2.0, SD /TF Card Reader
- Connectivity: Plug And Play
- Compatibility: Windows, Mac, Chrome OS
- Material: Aluminum Alloy And ABS
- Color: Black, Silver
- Warranty: 1 Year
- Resolution: Up To 8K
- Highlight: **Displaylink IC USB C Docking Station**, **Multi-Display USB C Docking Station**

Product Description

USB-C Docking Station Product Description:

With this docking station, you can enjoy a range of ports that include HDMI, USB 3.0, USB 2.0, and an SD /TF card reader. This makes it easy to connect multiple devices such as external hard drives, printers, and monitors. You can also use this docking station for multiple monitors, thanks to the HDMI port that supports resolutions up to 4K.

Our docking station is also equipped with DisplayLink IC, which means you can enjoy high-quality video and audio output. This feature is especially useful for professionals who need to work with multiple monitors and require high-quality video output.

Our USB C Docking Station is available in two colors, black and silver, so you can choose the one that best suits your style. Additionally, it comes with a compact design, which makes it a portable docking station that you can easily take with you wherever you go.

This docking station also comes with a 1-year warranty, so you can rest assured that you are investing in a high-quality product that will last you for years to come.

In summary, our USB C Docking Station is the perfect solution for professionals who need to work with multiple monitors and want a docking station with DisplayPort. It is also perfect for individuals who want a portable docking station that is easy to use and comes with a range of ports. So why wait? Get your USB C Docking Station today and take your connectivity game to the next level!

USB-C Docking Station Features:

Product Name: USB C Docking Station
Additional Features:
Compact Design

USB-C Docking Station Applications:

Looking for a versatile and compact docking station that can extend your laptop's capabilities? Look no further than the SUBOSEN DC36-X1 USB-C Docking Station!

With its high-quality construction and advanced features, this docking station is the perfect solution for a wide range of occasions and scenarios. Whether you're a busy professional who needs to stay productive on the go, a student who needs extra connectivity for your laptop, or anyone in between, the DC36-X1 has everything you need to take your computing experience to the next level.

One of the standout features of this docking station is its support for multiple displays. With a built-in DisplayPort and support for up to two 4K displays, you can easily expand your workspace and get more done. Whether you're working on spreadsheets, editing videos, or just browsing the web, this docking station has you covered.

The DC36-X1 is also a USB-C port replicator, which means that it can easily connect to your laptop or other USB-C device and provide a wide range of additional ports. With support for USB 3.0, HDMI, Ethernet, and more, you can easily connect all of your peripherals and accessories and get more done in less time.

Whether you're using a Windows, Mac, or Chrome OS device, the DC36-X1 is fully compatible and easy to use. And with its compact design, you can easily take it with you wherever you go and stay productive no matter where you are.

So why wait? If you're looking for a USB-C laptop docking station that can do it all, look no further than the SUBOSEN DC36-X1. With its advanced features, high-quality construction, and unbeatable price, it's the perfect choice for anyone who needs to stay connected and productive on the go.

USB-C Docking Station Support and Services:

The USB C Docking Station is a versatile device that allows you to connect a variety of peripherals to your computer. It features multiple USB ports, HDMI and VGA video outputs, Ethernet connectivity, and an audio input/output jack. This product is designed to work with most USB-C enabled laptops and tablets, and can provide a convenient and efficient way to connect all of your devices to your computer. If you encounter any issues with your USB C Docking Station, our technical support team is available to assist you. We can provide troubleshooting assistance and help you resolve any problems you may be experiencing. Additionally, we offer a range of services to help you get the most out of your product, including installation support, firmware updates, and maintenance services.

USB-C Docking Station Packing and Shipping:

Product Packaging:
The USB C Docking Station will come in a sturdy cardboard box, with a picture of the product on the front and a list of its features on the back. Inside the box, you will find:
The USB C Docking Station
A USB C cable
An instruction manual
Shipping:
We will ship your USB C Docking Station via standard mail within 24 hours of receiving your order. Shipping times will vary depending on your location, but you should expect to receive your package within 5-7 business days. If you require faster shipping, please contact us directly and we will do our best to accommodate your needs.

FAQ:

Q: What is the brand name of this USB C Docking Station?
A: The brand name of this USB C Docking Station is SUBOSEN.
Q: What is the model number of this USB C Docking Station?
A: The model number of this USB C Docking Station is DC36-X1.
Q: Where is this USB C Docking Station manufactured?
A: This USB C Docking Station is manufactured in China.
Q: What certifications does this USB C Docking Station have?
A: This USB C Docking Station has CE and FCC certifications.
Q: What is the price of this USB C Docking Station?
A: The price of this USB C Docking Station is 80-85 USD/PCS.
Q: What is the minimum order quantity for this USB C Docking Station?
A: The minimum order quantity for this USB C Docking Station is 300pcs.
Q: What are the packaging details for this USB C Docking Station?
A: The packaging details for this USB C Docking Station are customized colorful boxes.
Q: What is the delivery time for this USB C Docking Station?
A: The delivery time for this USB C Docking Station is 25 workdays.
Q: What are the payment terms for this USB C Docking Station?
A: The payment terms for this USB C Docking Station are TT in advance.
Q: What is the supply ability for this USB C Docking Station?
A: The supply ability for this USB C Docking Station is 200000PCS/month.
