Seamless Integration USB-C Docking Station with 10Gbps Transmission Rate Up To 120W

Our Product Introduction

Basic Information

- Place of Origin: China
- Brand Name: SUBOSEN
- Certification: CE,FCC
- Model Number: DC36-X1
- Minimum Order Quantity: 500 Pcs
- Price: 80-85 USD/PCS
- Packaging Details: Customized Colorful boxes
- Delivery Time: 25 workdays
- Payment Terms: TT in advance
- Supply Ability: 200000PCS/month

Product Specification

- Resolution: Up To 8K
- Color: Black, Silver
- Package Contents: Docking Station, USB-C Cable, User Manual
- Connectivity: Plug And Play
- Transmission Rate: 10Gbps
- Additional Features: Compact Design, Multi-Display Support
- Power Delivery: Up To 120W
- Compatibility: Windows, Mac, Chrome OS
- Highlight: **120W USB-C Docking Station**,
                             10Gbps USB-C Docking Station,
                             Seamless Integration USB-C Docking Station

Seamless Integration USB-C Docking Station with 10Gbps Transmission Rate Up To 120W

Product Description:

The USB-C Hub withmicroSD3.0 Card Reader features a compact design that makes it easy to carry around with you wherever you go. It's the perfect accessory for people who need to work on-the-go or who have limited desk space. The docking station also supports multi-display, so you can connect two monitors to your laptop and increase your productivity.

The USB-C Hub withmicroSD3.0 Card Reader has a range of ports that allow you to connect your laptop to different devices. It features an HDMI port that supports 4K resolution, a USB 3.0 port that allows for fast data transfer speeds, a USB 2.0 port, and an SD/TF card reader that allows you to read and write to memory cards. This dual monitor docking station also has a DisplayPort, which makes it easy to connect to external displays.
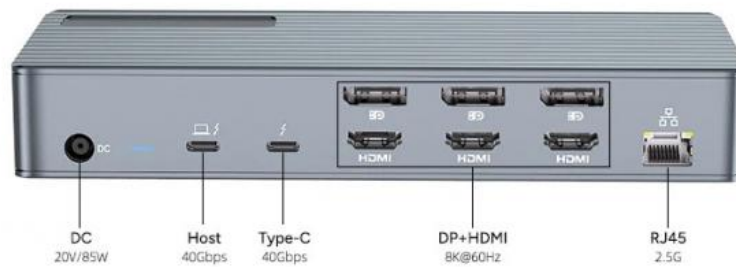

One of the best things about the USB-C Hub withmicroSD3.0 Card Reader is that it is incredibly easy to use. It is a plug-and-play device, which means you don't need to install any drivers or software to use it. Simply plug it into your laptop and start using it right away.

In summary, the USB-C Hub withmicroSD3.0 Card Reader is a versatile docking station that is compatible with multiple operating systems. Its compact design and multi-display support make it the perfect accessory for people who need to work on-the-go or who have limited desk space. With ports for HDMI, USB 3.0, USB 2.0, and an SD/TF card reader, this docking station is the perfect solution for people who need to connect their laptop to a range of devices. Additionally, the DisplayPort makes it a dual monitor docking station. Best of all, it is incredibly easy to use. Simply plug it in and start using it right away.

Features:

Product Name: USB C Docking Station

Compatibility: Windows, Mac, Chrome OS

Support Systems: Windows, Mac, Linux, Android

Package Contents: Docking Station, USB-C Cable, User Manual

Warranty: 1 Year
Color: Black, Silver
Features:
HDMI docking station
Docking station for multiple monitors

Multi-screen output meets various needs

Mobile phone connected to large screen TV / monitor / projector can be charged at the same time, connect U disk / key mouse, mobile office is more convenient

High-speed data transmission
USB3.2 Transfer rate up to 10 Gbps/s

Technical Parameters:

Product Name:	USB-C Laptop Docking Station
Resolution:	Up To 8K
Compatibility:	Windows, Mac, Chrome OS
Material:	Aluminum Alloy And ABS
Support Systems:	Windows, Mac, Linux, Android
Ports:	HDMI, USB 3.0, USB2.0, SD /TF Card Reader
Connectivity:	Plug And Play
Additional Features:	Compact Design, Multi-Display Support
Transmission Rate:	10Gbps
Warranty:	1 Year
Displaylink IC:	Yes

Applications:

Whether you're working from home or in an office, the SUBOSEN DC36-X1 USB-C Docking Station Adapter can help you connect multiple monitors to your laptop or computer. With its high-speed data transfer, you can easily transfer files and work on multiple tasks at once. Additionally, the docking station comes equipped with Ethernet, making it an ideal choice for those who require a stable and reliable network connection.

Manufactured in China, the SUBOSEN DC36-X1 USB-C Docking Station Adapter is certified by CE and FCC, ensuring its high quality and safety. Its minimum order quantity is 300pcs, and it's priced between 80-85 USD/PCS. The packaging details can be customized to your preferences, and the delivery time is 25 workdays. Payment terms require TT in advance, and the supply ability is 200000PCS/month.

The SUBOSEN DC36-X1 USB-C Docking Station Adapter is easy to use and can be used in a variety of scenarios. Whether you're a student, professional, or gamer, this docking station is an ideal solution for your needs. It's compatible with Windows, Mac, Linux, and Android, and its power delivery can support up to 120W.

In conclusion, if you're in need of a docking station with Ethernet and multiple monitor support, the SUBOSEN DC36-X1 USB-C Docking Station Adapter is an excellent choice. Its high-speed data transfer and compatibility with various systems make it a versatile tool for anyone looking to streamline their workflow.

Customization:

The SUBOSEN DC36-X1 docking station comes with four ports- HDMI, USB 3.0, USB2.0, SD/TF Card Reader. The transmission rate is

10Gbps, and it supports Windows, Mac, Linux, and Android operating systems. The compact design and multi-display support are additional features that make this docking station stand out from others.

You also get a one-year warranty with this docking station. If you need a docking station with Ethernet or DisplayPort, we can customize it for you. Contact us today to know more about our product customization services.

Support and Services:

The USB C Docking Station provides technical support and services that include:

Assistance with setting up and installing the docking station

Diagnosing and troubleshooting any technical issues

Providing software and driver updates as needed

Answering any questions or concerns regarding the product

Our goal is to ensure that our customers have a seamless experience with our product and that any technical issues are resolved quickly and efficiently.

Packing and Shipping:

Product Packaging:
The USB C Docking Station will be shipped in a sturdy, eco-friendly cardboard box to protect the product during transportation. The box will feature product images, specifications, and a brief description.

Shipping:
Orders for the USB C Docking Station will be shipped within 24 hours of purchase. Shipping options include standard and expedited shipping. Standard shipping will take 3-5 business days, while expedited shipping will take 1-2 business days. Shipping costs will vary depending on the chosen shipping method and the destination.

FAQ:
