Product Description

High Compatibility USB C Adapter for Windows 8K Display with OEM Support and 1K Display Support

Our USB Type-C Dongle is designed to support both OEM and ODM requirements, making it an ideal choice for businesses and individuals who demand the best quality and performance. With a wide range of compatibility options, our Type-C Plug and Play Adapter can be used with various devices including laptops, desktops, tablets, smartphones, and more.

Our USB Type-C Dongle offers fast data transfer speed of up to 10/5Gbps, allowing you to transfer large files and documents in seconds. Whether you're transferring music, videos, or important work documents, our adapter ensures that your data is transferred quickly and efficiently.

To ensure the highest level of safety and quality, our Type-C Plug and Play Adapter is certified by ISO 9001, CE, and FCC. This means that our adapter has passed rigorous quality and safety checks to guarantee that it meets the highest industry standards.

In addition to its data transfer capabilities, our USB Type-C Dongle also includes an Ethernet port that supports 10/100/1000Mbps Ethernet, making it an ideal choice for anyone who needs fast and reliable internet connectivity. Whether you're working from home, in the office, or on the go, our adapter ensures that you stay connected at all times.

Our Type-C Port Replicator is designed to be compact and lightweight, making it easy to carry with you wherever you go. Whether you're traveling, commuting, or simply need to connect to multiple devices at once, our USB Type-C Dongle is the perfect choice for you.

So why wait? Order our USB Type-C Dongle today and experience the best in data transfer and connectivity. With our adapter, you can rest assured that you're getting the best quality and performance at an affordable price.

18-In-1 USB C Docking Station
