P9 USB C Hub 9 in 1 Ports USB-C Docking Station and Easy Plug And Play Connectivity

Our Product Introduction

Basic Information

- Place of Origin: China
- Brand Name: SUBOSEN
- Certification: CE,FCC
- Model Number: P9
- Minimum Order Quantity: 500pcs
- Price: 9.71-10.14 USD/PCS
- Packaging Details: Customized Colorful boxes
- Delivery Time: 25 workdays
- Payment Terms: TT in advance
- Supply Ability: 200000PCS/month

Product Specification

- Support Systems: Windows, Mac,Linux, Android
- Package Contents: Docking Station, USB-C Cable, User Manual
- Warranty: 1 Year
- Power Delivery: Up To 100W
- Color: Black, Silver Black
- Connectivity: Plug And Play
- Compatibility: Windows, Mac, Chrome OS Linux
- Transmission Rate: 5Gbps
- Highlight: **9 in 1 USB C Hub**, **P9 USB C Hub**, **9 in 1 USB-C Docking Station**

9-In-1 powered usb hub

Product Description

USB C Hub Product Description:

The USB-C Docking Station is a versatile and high-quality accessory designed to enhance your connectivity experience. Crafted with a combination of Aluminum Alloy and ABS materials, this USB-C Hub Docking Station offers a durable and stylish solution for expanding your device's capabilities.

One of the standout features of this USB-C Port Replicator is its compact design, which allows you to carry it with you wherever you go easily. Whether you are working on the go or setting up a workstation at home, this docking station is the perfect companion for your USB-C enabled devices.

In addition to its compact design, the USB-C Docking Station also boasts multi-display support, making it a versatile tool for professionals who require a dual monitor setup or extended display options. This docking station lets you connect multiple displays to your device and boost your productivity.

Another key feature of the USB-C Docking Station is its impressive power delivery capability of up to 100W. This means that you can charge your device quickly and efficiently while using the docking station, ensuring that you stay powered up and ready to go at all times. The model of this USB-C Hub Docking Station includes a built-in MicroSD 3.0 Card Reader, adding extra convenience and functionality to your setup. With this card reader, you can easily transfer files, photos, and videos from your memory card to your device without the need for additional accessories.

Compatibility is not an issue with this USB-C Docking Station, as it supports a wide range of systems including Windows, Mac, Linux, and Android. Whether you are using a laptop, tablet, or smartphone, this docking station offers seamless connectivity and performance across different platforms.
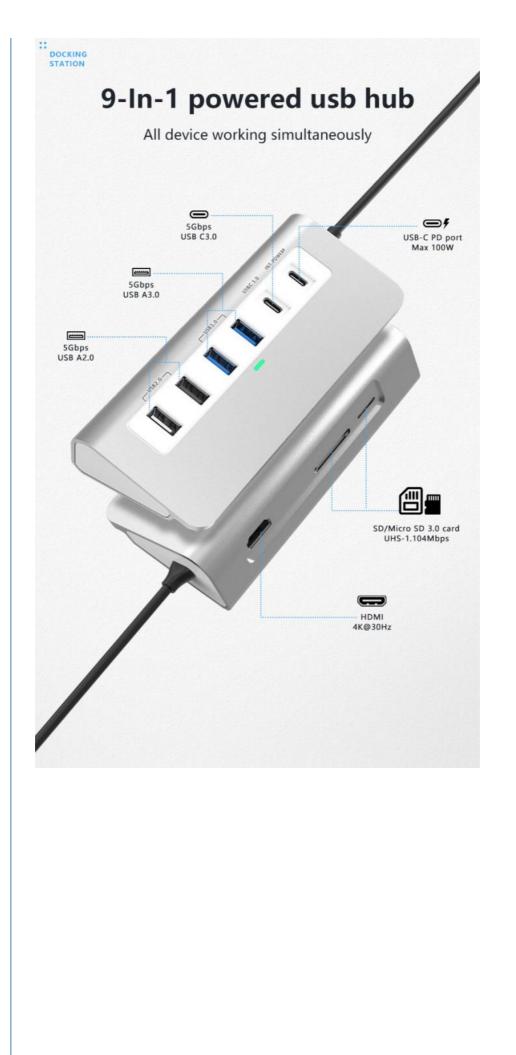

Overall, the USB-C Docking Station is a reliable and feature-rich accessory that combines the functionality of a USB-C Hub Docking Station, USB-C Port Replicator, and Thunderbolt 3 docking station into one compact and versatile device. With its durable construction, powerful performance, and wide compatibility, this docking station is the perfect solution for expanding the connectivity options of your USB-C enabled devices.

Product Parameter

Product name:	9-In-1 USB hub
Model:	P9
Shell material:	Aluminum alloy
Product color:	customizable
Product size:	137*62.85*33.81mm
Input:	Type-C
HDMI resolution:	4k@30Hz
PD charging:	PD 100W
USB3.0 Max power:	5Gbps
Quality guarantee:	1年

USB C Hub Applications:

Product Application Occasions and Scenarios for the SUBOSEN USB-C Multiport Docking Station (Model: P9):

The SUBOSEN USB-C Hub Docking Station (Model: P9) is a versatile and practical solution for various usage scenarios, offering a range of features and benefits suitable for different settings.

1. Office Environments:
With its stationary docks for multiple monitors, the SUBOSEN USB-C Docking Station is ideal for office environments where users require a convenient and efficient way to connect multiple displays to their laptops or desktops. The compact design ensures it takes up minimal space on the desk, while the support for up to 4K 60Hz resolution delivers crisp and clear visuals for professional tasks.

2. Home Offices:
For individuals working from home, the SUBOSEN USB-C Hub Docking Station offers seamless connectivity options for laptops and PCs. Users can easily set up a multi-display workstation for enhanced productivity, whether it's for remote work, video editing, or gaming. The plug-and-play functionality makes it a hassle-free solution for home offices.

3. Educational Institutions:
In educational settings such as schools or universities, the SUBOSEN USB-C Multiport Docking Station can be used in classrooms or lecture halls to facilitate presentations, video screenings, and collaborative projects. Its compatibility with various operating systems, including Windows, Mac, Linux, and Android, ensures broad accessibility for different devices used by students and educators.

4. Creative Studios:
For creative professionals working in design studios, media production houses, or editing suites, the SUBOSEN USB-C Docking Station provides the necessary connectivity for high-resolution monitors and peripherals. The Displaylink IC support enables seamless integration with multiple displays, allowing artists and designers to work on intricate projects with precision and clarity.

Overall, the SUBOSEN USB-C Multiport Docking Station (Model: P9) is a reliable and feature-rich solution for a variety of application occasions, offering compatibility, performance, and convenience for users across different industries and settings.

USB C Hub Customization:

Product Customization Services for the USB C Docking Station:
Brand Name: SUBOSEN
Model Number: P9
Place of Origin: China
Certification: CE, FCC
Minimum Order Quantity: 500pcs
Price: 9.71-10.14 USD/PCS
Packaging Details: Customized Colorful boxes
Delivery Time: 25 workdays
Payment Terms: TT in advance

Support Systems: Windows, Mac, Linux, Android
Ports: HDMI, USB 3.0, USB2.0, SD/TF Card Reader
Package Contents: Docking Station, USB-C Cable, User Manual
Displaylink IC: Yes
Transmission Rate: 5Gbps
Keywords: Stationary Docks for Multiple Monitors, Portable docking station, USB-C Port Replicator

USB C Hub Support and Services:

Product Technical Support and Services:
Our USB C Docking Station product comes with comprehensive technical support and services to ensure smooth functionality and customer satisfaction. Our team of experts is available to assist with any setup, troubleshooting, or compatibility issues that may arise. Additionally, we offer regular software updates and firmware enhancements to improve performance and address any reported issues.

USB C Hub Packing and Shipping:

Product Packaging and Shipping:
The USB C Docking Station is carefully packaged to ensure safe delivery to your doorstep. Each docking station is wrapped in protective packaging material to prevent any damage during transit.
For shipping, we partner with reliable courier services to deliver your order in a timely manner. You can track your package using the provided tracking number to stay updated on the delivery status.

USB C Hub FAQ:

Q: What is the brand name of the USB C Docking Station?
A: The brand name is SUBOSEN.
Q: What is the model number of the USB C Docking Station?
A: The model number is P9.
Q: Where is the USB C Docking Station manufactured?
A: The USB C Docking Station is manufactured in China.
Q: What certifications does the USB C Docking Station have?
A: It is certified with CE and FCC.
Q: What is the minimum order quantity for the USB C Docking Station?
A: The minimum order quantity is 500pcs.
