USB-C Docking Station Product Description:

The USB-C Multiport Docking Station is a versatile and convenient accessory designed to enhance your connectivity options. Crafted from high-quality Aluminum Alloy and ABS materials, this docking station ensures durability and reliability.

Equipped with a range of ports including HDMI, USB 3.0, USB 2.0, RJ45, Audio, USB C-PD, and SD/TF Card Reader, this docking station offers seamless connectivity for various devices. Whether you need to connect external displays, transfer data, or charge your devices, this docking station has you covered.

One of the standout features of this docking station is its support for multi-display setups. With the ability to connect to multiple displays simultaneously, you can boost your productivity and multitasking capabilities. The inclusion of DisplayLink IC further enhances the display performance, ensuring crisp and clear visuals.

Despite its powerful functionality, this docking station boasts a compact design that is ideal for both home and office use. Its sleek and minimalist appearance complements any workspace while taking up minimal desk space. This makes it a perfect solution for decluttering your setup and creating a more organized environment.

With a generous 1-year warranty, you can have peace of mind knowing that your investment is protected. This warranty demonstrates the manufacturer's confidence in the product's quality and durability, offering you reliable support in case of any issues.

Whether you need a docking station with DisplayPort capabilities, a USB-C Type-C Docking Station, or simply a versatile connectivity solution, the USB-C Multiport Docking Station is a reliable choice. Enhance your connectivity, streamline your workflow, and enjoy the convenience of seamless device integration with this advanced docking station.

USB-C Docking Station Features:

Docking station for MacBook Pro
Docking station with Ethernet
USB docking station
Product Name: USB C Docking Station
Material: Aluminum Alloy And ABS
Color: Black, Silver, Black
Package Contents:
Docking Station
USB-C Cable
User Manual
Model: USB-C Hub With MicroSD3.0 Card Reader
Warranty: 1 Year

USB-C Docking Station Technical Parameters:

Power Delivery	Up To 100W
Warranty	1 Year
Package Contents	Docking Station, USB-C Cable, User Manual
Material	Aluminum Alloy And ABS
Model	USB-C Hub With MicroSD3.0 Card Reader
Transmission Rate	5Gbps
Ports	HDMI, USB 3.0, USB2.0, RJ45, Audio, USB C-PD, SD /TF Card Reader
Resolution	Up To 4K 60Hz
Color	Black, Silver, Black
DisplayLink IC	Yes

SUPPORTS PD 100W
FAST CHARGE

USB-C Docking Station Applications:

When it comes to enhancing productivity and efficiency in the workplace, the SUBOSEN DC46-X1 USB-C Docking Station is the perfect solution. This innovative docking station provides seamless connectivity and versatility, making it ideal for a variety of product application occasions and scenarios.

Designed in China, the SUBOSEN USB-C Docking Station is CE, FCC, and RoHS certified, ensuring high quality and safety standards. Its DisplayLink IC technology allows for smooth and reliable multi-monitor support, making it a top choice for professionals who require a docking station for multiple monitors.

Whether you are working in a corporate office, home office, or educational institution, the SUBOSEN DC46-X1 USB-C Docking Station offers a range of ports including HDMI, USB 3.0, USB 2.0, RJ45, Audio, USB C-PD, and an SD/TF Card Reader. This versatility allows you to connect multiple devices such as monitors, keyboards, mice, external storage, and more.

With power delivery of up to 100W, this USB-C Desktop Docking Station can charge your laptop or other devices quickly and efficiently. The package contents include the Docking Station itself, a USB-C Cable, and a User Manual, providing everything you need for easy setup and use.

For businesses looking to enhance their workstations, the SUBOSEN USB-C Docking Station is available for a minimum order quantity of 500 PCs at a competitive price of $57.14 per unit. The packaging details can be customized with colorful boxes, adding a touch of personalization to your order.

With a supply ability of 200,000 PCs per month, the SUBOSEN DC46-X1 USB-C Docking Station ensures that you will have access to this essential productivity tool whenever you need it. The warranty of 1 year gives you peace of mind, knowing that your investment is protected.

Order now and experience the convenience and efficiency of the SUBOSEN USB-C Docking Station in your workspace. Transform your setup with this versatile and reliable docking station designed to meet modern professionals' demands.
