DC36-X1 Thunderbolt Docking with 60Hz/30Hz Display Support and Up To 10Gbps Data Transfer Speed

Our Product Introduction

Basic Information

- Place of Origin: China
- Brand Name: subosen
- Certification: CE,FCC Rohs
- Model Number: DC36-X1
- Minimum Order Quantity: 200-300 pcs
- Price: 75-100USD
- Packaging Details: Customized Colorful boxes
- Delivery Time: 7-30days
- Payment Terms: T/T
- Supply Ability: 200000

18-In-1 USB C Docking Station
More Ports, More Powerful
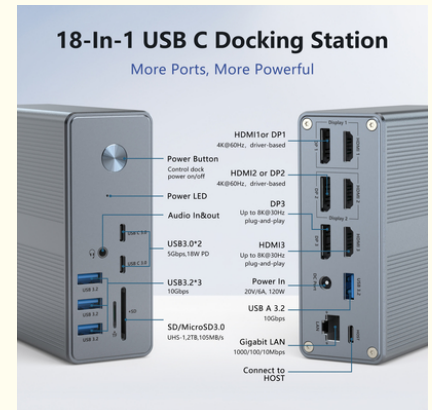

Product Specification

- Warranty: 1 Year
- Product Type: Docking Station
- RJ45: 10/100/1000Mbps
- Compatibility: Thunderbolt
- Display Support: 4K/2K/1K, 60Hz/30Hz
- Power Delivery: Up To 100W
- Compatibility System: Windows , MacOS, Android, Linux
- Logo: OEM/ODM
- Highlight: **60Hz Thunderbolt Docking**,
  10Gbps Thunderbolt Docking,
  30Hz Thunderbolt Docking

Docking Station Product Description:

The Thunderbolt Docking product is a high-quality docking station designed to enhance the connectivity and functionality of your Thunderbolt-compatible devices, such as laptops and notebooks. With lightning-fast data transfer speeds of up to 5/10Gbps, this Thunderbolt Notebook Port Extender allows you to transfer large files, stream high-resolution videos, and multitask seamlessly.

This Thunderbolt Notebook Port Extender is compatible with a wide range of operating systems, including Windows, MacOS, Android, and Linux, ensuring that you can easily connect your devices regardless of the platform you use. Whether you are working on a Windows laptop, a MacOS notebook, an Android tablet, or a Linux desktop, this Thunderbolt Notebook Hub provides the versatility and convenience you need.

As a Thunderbolt-compatible device, this Thunderbolt Notebook Port Extender offers superior performance and reliability compared to traditional docking stations. Thunderbolt technology enables lightning-fast data transfer speeds and high-resolution video output, making it ideal for professionals and creatives who require high-performance connectivity solutions.

In addition to its Thunderbolt compatibility, this Thunderbolt Notebook Port Extender also features USB Type 3.0/3.2 ports, allowing you to connect a variety of USB devices, such as external hard drives, printers, and keyboards. The USB Type ports ensure backward compatibility with older USB devices while providing faster data transfer speeds and improved power delivery.

Whether you are a professional working on data-intensive tasks or a creative individual editing high-resolution videos and images, this Thunderbolt Docking product is the perfect solution for expanding your device's connectivity options. Its sleek and modern design complements any workspace, while its compact size makes it easy to transport and use on the go.

Experience the power and convenience of Thunderbolt technology with this Thunderbolt Notebook Port Extender. Stay connected, productive, and efficient with fast data transfer speeds, seamless connectivity, and versatile compatibility with a wide range of operating systems. Upgrade your device's connectivity today with the Thunderbolt Docking product.

Docking Station Features:

Product Name: Thunderbolt Docking
Product Type: Docking Station
RJ45: 10/100/1000Mbps
Compatibility: Thunderbolt
Display Support: 4K/2K/1K, 60Hz/30Hz
Compatibility System: Windows, MacOS, Android, Linux

Docking Station Technical Parameters:

Data Transfer Speed	Up To 5/10Gbps
RJ45	10/100/1000Mbps
Power Delivery	Up To 100W
Display Support	4K/2K/1K, 60Hz/30Hz
Warranty	1 Year
Compatibility	Thunderbolt
USB Type	3.0/3.2
Product Type	Docking Station
Compatibility System	Windows, MacOS, Android, Linux
Logo	OEM/ODM

Docking Station Applications:

The subosen Thunderbolt Docking Station (Model: DC36-X1) is a versatile, high-quality product that enhances your Thunderbolt laptop connectivity. With its Thunderbolt Laptop Connector, this docking station provides a seamless Thunderbolt Connection Hub for various devices, making it a must-have accessory for Thunderbolt laptop users.

Here are some Product Application Occasions and Scenarios where the subosen Thunderbolt Docking Station excels:

1. **Professional Workstations:** Ideal for professionals working with Thunderbolt laptops in graphic design, video editing, and software development industries. The Thunderbolt Docking Station allows for easy connection to multiple peripherals like monitors, keyboards, and external drives, boosting productivity.

2. **Home Office Setup:** Perfect for creating a functional and organized home office space. The Thunderbolt Docking Station simplifies

cable management and provides quick access to all your essential devices with just one Thunderbolt Laptop Connector.

3. **Gaming Enthusiasts:** Gamers can benefit from the Thunderbolt Connection Hub to connect gaming accessories like gaming mice, keyboards, headsets, and additional displays. The high-speed USB Type 3.0/3.2 ports ensure smooth gaming performance.

4. **Business Travel:** For individuals who frequently travel for work, this docking station offers a compact and portable solution to set up a temporary workstation in hotel rooms or client offices. The RJ45 10/100/1000Mbps port ensures a stable network connection.

5. **Educational Institutions:** Schools and universities can utilize the subosen Thunderbolt Docking Stations in classrooms and labs to facilitate seamless connections for students and educators, enhancing the learning experience.

With Certification in CE, FCC, and RoHS, the subosen Thunderbolt Docking Station guarantees compliance with international standards. The one-year Warranty of 1 Year provides peace of mind to customers, ensuring the product's durability and reliability.

To place an order, the Minimum Order Quantity ranges from 200-300 pcs, with a Price range of 75-100 USD per unit. The Packaging Details include customized Colorful boxes, adding a personalized touch to each product. Delivery Time is estimated between 7-30 days, and Payment Terms are accepted via T/T. With a Supply Ability of 200,000 units, there is no shortage of stock for this popular Docking Station.

Docking Station Customization:

Customize your Thunderbolt Docking Station with subosen's Product Customization Services:
- Brand Name: subosen
- Model Number: DC36-X1
- Place of Origin: China
- Certification: CE, FCC, RoHS
- Minimum Order Quantity: 200-300 pcs
- Price: $75-100 USD
- Packaging Details: Customized Colorful boxes
- Delivery Time: 7-30 days
- Payment Terms: T/T
- Supply Ability: 200,000
- RJ45: 10/100/1000Mbps
- Data Transfer Speed: Up To 5/10Gbps
- Logo: OEM/ODM
- Product Type: Docking Station
- Power Delivery: Up To 100W

Enhance your Thunderbolt Docking experience with subosen's Thunderbolt Laptop Connector, Thunderbolt Notebook Hub, and Thunderbolt Laptop Connector!

Docking Station Support and Services:

The Thunderbolt Docking product offers comprehensive Product Technical Support and Services to ensure seamless operation and customer satisfaction. Our support team is dedicated to assisting with any technical issues or inquiries that may arise, providing timely solutions and guidance to enhance the user experience.

Docking Station Packing and Shipping:

Product Packaging:
Our Thunderbolt Docking product comes securely packaged in a sturdy cardboard box to ensure safe delivery. The sleek design of the box includes vibrant graphics and product information for easy identification.

Shipping:
Once you place your order, our team will carefully pack your Thunderbolt Docking product to prevent any damage during transit. We partner with reliable shipping carriers to deliver your order promptly to your doorstep. You will receive a tracking number to monitor the status of your shipment.

FAQ:

Q: What is the brand name of this Thunderbolt Docking product?
A: The brand name is Subosen.
Q: Where is the Thunderbolt Docking product manufactured?
A: The Thunderbolt Docking product is manufactured in China.
Q: What certifications does the Thunderbolt Docking product have?
A: The Thunderbolt Docking product is certified with CE, FCC, and RoHS.
Q: What is the minimum order quantity for the Thunderbolt Docking product?
A: The minimum order quantity ranges from 200 to 300 pieces.
Q: What are the payment terms for purchasing the Thunderbolt Docking product?
A: The payment terms are T/T (Telegraphic Transfer).
