Product Description

USB-C Docking Station Product Description:

With a sleek and modern design, this USB-C Universal Docking Station is the perfect companion for your USB-C devices. Measuring at 260*54.3*20mm, this docking station is compact and lightweight, making it easy to carry with you wherever you go. Whether you are working from home, in the office, or on the go, this docking station ensures that you have all the connectivity options you need at your fingertips.

Equipped with USB 3.1 interface, this docking station offers high-speed data transfer and reliable connectivity for all your USB-C devices. With certifications including CE, FCC, and RoHS, you can trust in the quality and safety of this docking station. The Power Interface features Double Type-C connectors with a 1m cable, providing a secure and stable power connection for your devices.

This USB-C Docking Station Hub is designed for seamless compatibility with a wide range of USB-C devices. Whether you have a laptop, tablet, smartphone, or other USB-C enabled device, this docking station ensures that you can easily connect and expand your device's capabilities. Say goodbye to the hassle of multiple cables and adapters, and streamline your workflow with this all-in-one docking solution.

Enhance your productivity and connectivity with the USB-C Docking Station Hub. With its compact size, versatile interface options, and reliable performance, this docking station is the perfect companion for your USB-C devices. Whether you need to connect to external monitors, transfer data, or charge your devices, this docking station has you covered.

Simplify your setup and maximize your efficiency with the USB-C Docking Station Hub. Experience the convenience of having all your connectivity needs met in one compact and portable device. Say goodbye to cluttered workspaces and tangled cables, and say hello to a more streamlined and productive workflow with this USB-C Universal Docking Station.

USB-C Docking Station Features:

Product Name: USB-C Docking Station
Interface Type: USB 3.1
Power Interface: Double Type-C, 1m
Certifications: CE, FCC, RoHS
Size: 260*54.3*20mm
Fob Port: China (Mainland)

USB-C Docking Station Technical Parameters:

PD	100 W
Video Output	HDMI: Up To 4K Resolution At 60Hz
Type	Desktop
Fob Port	China (Mainland)

USB-C Docking Station Applications:

Product Application Occasions and Scenarios for the SUBOSEN USB-C Docking Station (Model Number: 28PR):
The SUBOSEN USB-C Docking Station is a versatile and reliable accessory that is suitable for a wide range of application occasions and scenarios. Whether you are a professional working in an office setting, a student attending online classes, or a gamer looking to enhance your setup, this HDMI docking station offers the perfect solution for your connectivity needs.
One of the key features of the SUBOSEN USB-C Docking Station is its compatibility with USB C devices, making it ideal for users who rely on the latest technology for their work or leisure activities. The station is designed to provide seamless connectivity and high-speed data transfer, ensuring that you can effortlessly connect all your devices and peripherals in one central hub.
For professionals who require a multi-monitor setup, the SUBOSEN USB-C Docking Station is the perfect solution. With its support for

HDMI video output at up to 4K resolution and USB 3.1 interface type, this docking station allows you to connect multiple monitors and enjoy a seamless and efficient workflow. The station is also equipped with a PD of 100W, ensuring that your devices stay charged and ready for use at all times.

Whether you are working on complex projects that require a high level of detail and precision, or simply enjoying multimedia content in stunning clarity, the SUBOSEN USB-C Docking Station delivers a superior user experience. Its compact size of 260*54.3*20mm makes it easy to carry with you wherever you go, while its sturdy construction ensures durability and reliability.

In conclusion, the SUBOSEN USB-C Docking Station is the perfect choice for users who require a versatile and efficient docking solution for their USB C devices. With its HDMI docking capabilities, support for multiple monitors, and USB-C port replicator functionality, this docking station offers unparalleled convenience and connectivity for a wide range of application occasions and scenarios.

Customization:

Product Customization Services for USB-C Multiport Docking Station - SUBOSEN 28PR:
Brand Name: SUBOSEN
Model Number: 28PR
Place of Origin: China
Certification: CE, FCC, RoHS
Minimum Order Quantity: 500pcs
Price: $35USD/PCS
Packaging Details: Customized Colorful Boxes
Delivery Time: 25 Workdays
