Product Description

Product Overview

This 12-in-1 Knob Desktop Docking Station is a stylish all-in-one desktop hub designed for modern thin-and-light laptops & desktop PCs. Built with unique knob decorative design, it greatly expands your laptop's limited ports for office, home-desk and creative workspace. Equipped with high-speed data ports, card reader, audio jack and DC-IN power input, it meets multi-scene connection demands.

Core Features

12 Multi-function Ports All-in-one

Rich interfaces cover data transfer, power supply, audio output and card reading, no need for multiple adapters.

High-speed 10Gbps Transmission

USB-C 3.2 & USB-A 3.0 ports deliver up to 10Gbps high-speed data transfer, fast for large-file, SSD and hard-disk reading & writing.

DC-IN Independent Power Supply Design

Support DC-IN power input, stable power supply for high-power peripherals, avoid insufficient power-supply risk.

SD/TF 4.0 Dual-slot Card Reader

SD & TF 4.0 reader for photographers & content creators, quick access to camera files.

Unique Knob Desktop-style Appearance

Fresh white body with orange knob ornament, great for desk setup, clean and modern visual effect.

Wide Compatibility

Fully compatible with Windows, Mac OS laptops and desktops, plug-and-play, no extra driver needed.
